Walther League to Launch $100,000 Anniversary Drive At Chicago Convention

The Stevens hotel in Chicago will again be the scene of youthful activity Saturday and Sunday, October 19 and 20; on those two days the Walther League of the Northern Illinois District will hold its sixteenth annual convention. This organization is an affiliate of the International Walther League, youth organization of the Synodical Conference Lutheran church.

Mr. Martin H. Laufer, 30 E. Hinsdale avenue, Hinsdale, chairman of the convention committee, makes the promise that the plans so far warrant the largest turn-out of any district Walther League convention.

1500 young people are expected at the sessions which will be held in the grand ballroom, while close to a thousand will attend the fellowship banquet on Saturday evening.

The convention will officially be called to order by the district president, Mr. William Zieter, Chicago, at 2:30 o'clock on Saturday afternoon. The opening general assembly will break up into smaller sessions after a meeting of one hour. A conference of the presidents, leaders of the 221 societies in this district, is scheduled for a special period prior to the official opening of the convention. The sessions will adjourn at 5 p.m. to permit preparation for the social highlight —the annual fellowship banquet at 7 p. m. in the grand ballroom of the Stevens.

Each evening at the close of the program, the members and friends will gather in the lobby of the hotel for a song program. This feature proved so popular during the recent 48th International Walther League convention, also held at the Stevens the latter part of August, that the membership regards it an essential part of the program.

The outstanding business on the convention docket will be the launching of the Golden Anniversary drive for this district. This venture of the League was put into motion at the recent International convention, for the purpose of raising $100,000 as an anniversary offering by 1943, which is the golden anniversary year of the Walther League. The plan calls for the use of $78,000 of this fund for the erection of a building in Chicago which will house the League's headquarters and eventually also provide space for the Chicago branch of Valparaiso University, Valparaiso, Ind., which at this time is commemorating the 15th anniversary of its reorganization as a Lutheran university.

On Sunday, Oct. 20, at 2:30 o'clock the convention will again come to order; first in separate Christian Knowledge and Christian Service sessions, and at 4:15 for the concluding portion of the general assembly sessions.

At 7:30 p. m. the final service will take place in the Grand ballroom. At this time also the newly elected district officers will be formerly installed. The Rev. E. L. Roschke of St. Louis, official representative of the International Walther League and a member of the Young People's Board of the Missouri Synod Lutheran church, will preach the sermon.

The Northern Illinois is the largest of the forty districts in the International Walther League which are located throughout the United States and Canada. This great youth organization comprises 2,500 societies and has a total membership of approximately 100,000. The membership of the local district is 7,500.

May Be Interesting At Board Meeting Monday Night

Monday night's meeting of Arlington Heights village board promises to be rather interesting. Bids wil again be opened for the sale of $20,000 water revenue bonds and Alderman Schneberger will ask the board to take some definite action regarding installation of a local two-way police rdio.

Three of the aldermen oppose the installation and a fourth is leaning their way. Mayor Flentie may be called on to cast the deciding vote, or the proposition will be shelved by a vote of four to two.

The second offer of the revenue bonds specifies an interest rate of 3½%. A bid at 3 per cent was received at the last meeting of the board and was rejected. Bidders will be required to present certified checks in the sum of a thousand dollars.

Friends Help Mr. and Mrs. Henry Kehe Observe 25th Wedding Anniversary

Mr. and Mrs. Henry Kehe, of Des Plaines were married 25 years Wednesday. Saturday evening thirteen couples walked into their home and kidnapping Mr. and Mrs. Kehe, took them to Simpson's at Euclid and Rand roads, where they were accorded a real anniversary party.

Wednesday evening relatives of the Kehe and Krause families gathered at the same restaurant for a family dinner. Mr. Kehe is a member of the firm of Krause & Kehe, realators at Arlington Heights.

Church Observes Anniversaries This Sunday

The Evangelical and Reformed congregations of Chicagoland will assemble in the new and spacious First Congregational church, Washington and Ashland boulevards, Chicago on Sunday, October 27, at 3:00 o'clock in the afternoon for a memorable service that will give due recognition to three distinct anniversaries.

This important occasion will commemorate the 50th anniversary of the Hungarian Reformed church which was founded in Cleveland, Ohio, on October 12, 1890 by the Rev. Gustavus Juranyi.

The Evangelical Synod of North America will celebrate its centennial in recognition of the century-old activities of some missionaries from the Barmen and Basel mission societies of Germony who were sent to administer to the spiritual life of the German immigrants in and near St. Louis, Mo. On October 15, 1840 six pastors gathered at Gravois Settlement, Missouri, the famous Daniel Boone country, and covenanted together to serve the needs of their kinsmen, and with the result that the German Evangelical church society of the west was organized.

The Reformed church in the United States had its beginnings at Falkner Swamp, Skippack and Whitemarsh in Pennsylvania. On October 15, 1725, Pastor John Philip Boehm administered the first communion to the Falkner Swamp congregation. Pastor Boehm was instrumental in founding thirteen other congregations covering eight counties.

The Evangelical and Reformed church concluded their merger last June. The United church represents a denomination with over a million members, including over a dozen colleges and seminaries, scores of benevolent institutions and hospitals, and with missionary stations on nearly every continent.

The Reverend Dr. Gerhard W. Grauer, pastor of St. Phillipus Evangelical and Reformed church of Cincinnati, Ohio, will deliver the anniversary message to the Evangelical and Reformed constituency of Chicagoland.

Arlington Scouts Win Award At Annual Gim-O-Gash Pow-Wow

With a large percentage of their Troop present and displaying a very fine example of Troop Camping, Troop 7 of Arlington Heights, under the leadership of W. A. Miles, Scoutmaster, won the Gim-O-Gash Tombstone Award at the Annual Gim-O-Gash Pow-Wow held at Camp Dan Beard last weekend where 150 Scouts and Scouters enjoyed a camping experience.

Troop 23 of Mount Prospect, Russell Smith. Scoutmaster. and Troop 20 of Des Plaines, George Hachmeister, Jr., Scoutmaster, were runners-up in the Pow-Wow scoring.

Scouts and Leaders pronounced this the best Pow-Wow program that has been conducted and the program provided an abundance of fun, games and fellowship in addition to the demonstrations of camping and scoutcraft.

A treasure hunt and Scout games were part of the program Saturday morning and in the afternoon a number of competitive games and activities were conducted. The one providing the most fun for the spectators was a pie eating contest in which each contestant ate a blueberry pie while lying prone face down with his hands behind his back.

Truck Safety Stickers Must Be Obtained Before 1941 State License

State officers are now arresting truck owners for failure to secure proper safety sticker, for the October period. Truck owners without the proper safety stickers will not be able to purchase 1941 state licenses.

Winkelman Tire & Battery Shop, Arlington Heights is an authorized state inspection station and can issue the safety stickers on completion of the test and will make corrections that may be necessary.

Mr. Winkelman handled several hundred cars last spring and is prepared to give similar service this fall. He urges truck owners to come early or to make definite appointments.

Campbell Street Widening Improves Business District

The widening of West Campbell street, between Dunton and Vail, is welcomed by autoists. Pedestrians have not as much room as formerly, and autoists will not nick so many fenders. The work was done by WPA with adjoining property owners paying for the materials.

Jewel Food Store Opens

Arlington Heights residents are expected to turn out in large numbers this Thursday, October 17, to say "hello" to 700 guests from Barrington and Chicago who will be in town for the grand opening of the new Jewel Food Store at 15 West Campbell.

On that day our Barrington neighbors are proudly presenting to this community one of those clean, white friendly neighborhood Jewel stores that have been making such rapid progress through Chicago and suburbs in recent years and helping to keep Barrington and its environs high in public esteem.

A 1-lb. roll of sweet cream butter will be given away free on opening day to each customer whose meat department purchases total $1.00 or more. And in keeping with their policy of community service, Jewel is employing a staff of local people. These include Ferdinand Blohm, the market manager, Mary Dolinaye, the head checker, and Jesse Dalton, clerk, all from Arlington Heights. Mr. Ray Thuerk is the manager.

In the evening, from six to eight o'clock, Jewel plans a large openhouse party at the new store for all employees. Special guests of the vice-president, Mr. F. M. Kasch, include all members of the Barrington Old-Timers Club, as well as the personnel of the present Barrington office and plant and employees of the Chicago office and allied stores. About 700 guests are expected for a buffet supper.

Democratic Women's Card Party, Monday

The Democratic women of Wheeling Township will hold their free card party at the field house in Arlington Heights next Monday at 8 p.m. Important speakers will be guests. All women are urged to come and bring their friends.

Prizes will be awarded and refreshments served.

The Truth About Police Radio For Arlington

In answer to Trustee Schneberger's "Show Down" on Police radio, that appeared in last week's issue of this paper, let it be known that we the undersigned members of the Village Board of Trustees, have always been in favor of having a "two-way" radio in the police car—but in conjunction with the Cook county highway police department, and not as a privately operated radio station.

With a hook-up with the county, we would be at all times connected, not only with our lodal station, but in addition, with most of our neighboring villages and police agencies in the entire northwest part of this county, at a total cost of $310.00.

Trustee's Schneberger's recommendation is for a privately operated station to serve only Arlington Heights, which wil cost according to him $910. But he has failed to inform you that in addition it would require three extra employees—licensed radio operators, to work twenty-four hours a day, 365 days a year in a soundproof room and an electrical engineer to keep the station studio and car radio in first class shape at all times. Costs for maintenance and installation to be additional.

Trustee Schneberger:— We are in favor of a two-way police radio system—a better police department with more protection to the tax payer, but we are also in favor of getting the best for the smallest cost.

The records of our village board meeting will show that the Police Benefit Dance was given as a Police Benefit and not for the purchase of village equipment. And we feel the public was so generous in their support, for the benefit of the police force.

Behrens To Hear Manslaughter Charge, Saturday

Carl M. Behrens, Arlington Heights, will be a rather busy judge Saturday afternoon. A group of lawyers will be on hand in the Ward Schaefer trial in which he is charged with manslaughter, causing the death of Herman Koelle, of Palatine three weeks ago. The coroner's jury absolved Schaefer of any blame, but heirs of the victim are insisting on the prosecution by the state's attorney's office.

"Hank" Hinz and Louis Eichler, both Arlington Heights men, were shooting at a squirrel near the residential section of West Wing street Sunday, when an incensed neighbor discovered that they had in their possession a hen pheasant and called the police. They are charged with hunting without a state license, shooting within the village limits and killing a hen pheasant. The penalty for the latter is a $50 fine.

Other cases on the docket for the afternoon included a number of state vehicle charges. The state officers have been enforcing the safety ticket law that applies to trucks and many local farmers have been taken before Judge Behrens.

Failure to secure a building permit before the erection of a two car garage on North Chestnut st., brought a $20 fine by Judge Behrens for the Best Built Construction Co., which contracted to erect a garage for Mr. Karl.

The counts against them are failure to secure a permit and operating without a business license. The garage can not be completed because erection of garages on rear of lots prior to building of residence is prohibited.

Mr. Karl, who resides in Chicago during the week, had visions of week-end visits to Arlington Heights, but made no provisions in his garage-home for those living conveniences that Arlington building code requires.

Paul Taege, building commissioner, will hereafter insist on a certificate of occupancy for all structures for which building permits are issued.

It's Your Turn To 'Do A Good Turn'

Th Boy Scouts of America provides a program of character development and citizenship training for all boys which is made available through the Northwest Suburban Council. As soon as a boy reaches nine years of age he may join a cub pack and enjoy cubbing training through his den and pack. He progresses up the ladder of achievement in cubbing until he becomes twelve years old when he graduates into a scout troop.

A boy may remain a scout as long as he desires as there is no maximum age limit but he becomes a senior scout at the age of 15 and may be a sea scout or an explorer scout.

The programs of cubbing, troop scouting and senior scouting are each planned for the characteristics of their particular age group but they are all a part of the great movement for the training of youth.

The Northwest Suburban Council is charged with the responsibility of providing the means by which every boy who wishes to become a cub and scout may do so. Each of the 10 communities in which there are packs and troops conduct an annual finance campaign in order that funds may be provided so that this responsibility may be carried out.

Of the entire council budget of $060.00 for this year, only $100.00 is used for the support of the National Council which makes the program of scouting possible. The balance of the budget is used by the Northwest Suburban Council in providing service for the fourteen packs, 30 troops and sea scout ships and the membership of 1,671 men and boys.

Who Gives To Scouting?

"Who contributes to the financial support of the cubs and boy scouts?" is a question asked frequently. The answer is "nearly everyone". As might be expected, the parents of the cubs and scouts are generous contributors. However, there are some parents of cubs and boy scouts who are unable to make contributions and, therefore, additional funds must be secured elsewhere.

Others who are liberal contributors are parents who had sons who were cubs and scouts; parents who have sons who some day will be cubs and scouts; parents of girls; couples who do not have any children; and unmarried people; business and professional men and women; estates; and various civic, patriotic, fraternal and social organizations all give to scouting.

Why Do They Give?

"Why do they give?" is another interesting question. Parents of cubs and scouts contribute because they want their sons to have the benefits of this training and are willing to share the expense for providing it. Parents who have had sons who were cubs and scouts give because they appreciate what scouting did for their sons and they want scouting to continue and want other boys to enjoy the benefits of it. Parents who have sons who will become cubs and scouts as soon as they become of cub and scout age support scouting to insure that scouting training will be available in the future.

Parents of girls are outstanding generous givers because they know their daughters will have better companions if the young men they associate with have been scouts. Couples and unmarried people help finance scouting because they want to do their part in providing scout training for worthy boys. And business and professional men and women and various organizations lend their financial assistance because they know that scouting makes a better community in which to work and live.

How Much Do They Give?

"How much do these individuals and organizations give to scouting?" While the total sum is large it is not surprising, nor is it too much, considering the worth of the project to the boys, to everyone and to the community. Many gifts are not large in the amount of money but are mighty generous considering the circumstances of the giver. Then there are a great number who contribute $5.00, which is the amount required to support a scout or a cub for a year. And are even a substantial number of $50 and $100 contributors. The boy scouts, however, welcome gifts of any amount. Many who cannot afford to give as much as they would like, aid scouting by helping to solicit funds from others.

How Do They Give?

"How do the contributors give?" is a very simple question to answer. Most of them pay or pledge their contribution to the solicitor who calls upon them. Many even mail in their checks without being solicited. A large percentage is paid in cash.

When Do They Give?

"When do the contributors pay or pledge?" Usually they do it once a year when the annual financial campaign is being held.

Preparations are being made in Palatine and Arlington Heights to conduct the annual finance campaign for Palatine and Arlington Heights share of the Council budget. Based on the present membership of cubs and scouts, the amount contributed last year in Palatine was $3.00 per member. This was only 3/5 of the total cost based on the number of boys registered. Arlington Heights has contributed $3.87 per membebr or 3/4 of the cost. It is expected this year the amount price will be [illegible] that of last year.

Delinquent Tax List In This Issue

The publication of the delinquent tax list in this issue represents one of the cogs in the machinery of tax collections as provided in the state statutes. Many of those whose names appear therein may have paid their taxes during the past two weeks, too late to have their names removed from the published list. Others have paid under protest, in which case a star appears before the amount.

Tax collections are improving in many counties of the state, but Cook county stands 98th in the list of 102 counties.

Cook county for the past five years has averaged 79.7 per cent tax collections each year from the current levy and 86.8 per cent total collections from all levies, according to a survey made public here by Barcus, Kindred & Company, specialists in Illinois municipal bonds. The survey, based on data obtained from county officials included the years 1935 through 1939. is 98th in the state.

Statewide tax collections for the five years, with Cook county excepted, averaged 91.6 per cent from the current levy and 96.8 per cent from all levies.

That tax collections throughout Illinois are good is indicated by the fact that 47 of the state's 102 counties had collections averaging 98 per cent or more during the period studied. Only five counties had total collections averaging less than 90 per cent; and only 15 averaged less than 95 per cent.

A Great Experience But Never Again, Says Federal Juror

Henry Hagenbring and Warren L. Fellingham have returned to their homes in Arlington Heights after serving nearly seven weeks on the Johnson case in the Federal court before Judge Barnes. Johnson was found guilty and can be sentenced to a prison term of 22 years and a fine of $50,000.

Mr. Fellingham was in the regular jury panel. Mr. Hagenbring was an alternate member of that body. The latter received the same treatment and was held under the same restrictions as the regular jurors. He was kept in the jury box until the regular twelve left the court room to arrive at their verdict, when he was excused from further service.

For seven long weeks, only censored newspapers with articles clipped out of them, were allowed to reach the members of the jury. They had an entire suite on the LaSalle hotel at their disposal and good meals. Entertainment was provided them in the form of movies and shows. One Sunday, the jury was taken on an auto ride up the north shore to Arlington Heights, where a stop was made at the Hagenbring store. A marshall obtained keys to the store from Mrs. Hagenbring, who was not allowed to talk to her husband.

There were no telephone messages and letters to and from the jurors were censored. Private elevators and special busses were used; barbers were warned not to engage a juror in conversation and every effort made to keep the jurors free from influences.

The two Arlington Heights jurors learned a lot about the cost of outfitting a place like Bon Air country club with its $45,000 raising stage, etc. A number of the towns adjoining Arlington Heights were represented among the witnesses who testified, but evidently Arlington Heights citizens had nothing to do with the alleged gambling racket in which Johnson was implicated.

Mr. Hagenbring says that he enjoyed the experience, but never again for him. Alternate jurors are selected to fill vacancies in case a juror becomes ill or death comes to his immediate family.

Karstens Tells How To Bowl; Schimming Proves Boomerang

It was a first vacation for Mr. and Mrs. George Schimming and the twentieth wedding anniversary of Mr. and Mrs. Walter Karstens that occasioned a joint trip to Minnesota last week. Although they skipped some ideal Indian summer weather here, they succeeded in painting the towns of Duluth and Minneapolis in "fall colors," according to George. "Walt" must have been teaching George a few rudiments of bowling on the way. It was mainly because of George that his team took two from Karstens Monday night in the Arlington Heights Lions bowling league.

Home Building Costs On The Upward Trend

Al Chase in the Chicago Tribune says that home building costs are on the upward trend. Demand for labor to carry out the plans for national defense, with the government entering the supply market has boosted building costs thruout the country and those who wait until next year to build a home will be required to pay 10 to 20 per cent more than those who are buying today.

Chas. West. of J. P. and J. W. O'Connor is warning prospective home owners that a delay will cost them money.

Local Draft Machinery Is Set In Motion

Many Volunteered For Service On Local Draft Boards

Service on the draft boards Wednesday was volunteer services with no remuneration in sight, but township registrars report that they had no difficulty in obtaining men aud women to handle the registration. Chief registrars were appointed so far as possible for each of the places used. These were responsible for the registration in that particular precinct. They also had the authority to appoint additional registrars that might be needed to handle the crowds.

Commissioner Busse Wages Lone Battle To Cut Road Cost

County Commissioner Wm. Busse waged a lone battle in the county board last week to halt the approval of a contract for the use of asphalt for resurfacing Pulaski road in place of concrete. The additional cost to the county, stated Mr. Busse, was $168,000. He called on President Smith to veto the contracts, but to no avail. The only board member to vote with Mr. Busse was Commissioner Smith.

The charge is made that an attempt is being made to revive the asphalt ring which passed out of existence after the death of Michael Carrozzo, czar of the street worker's union. Major Quinlan recommended the use of asphalt in place of concrete giving as his reason the frequent opening the street because of utilities underneath. The state highway commission is said to have requested that Cook County award some asphalt work.

Chicago Tribune in an editorial Oct. 9 said, "Thanks to the efforts of County Commissioner Wm. Busse, the award of a contract for paving section of Pulaski road was delayed . . . there is ground here for suspecting a political paving scandal."

George Poole, Ford Dealer, To Build Own Home Here

George Poole, Arlington Heights Ford dealer, has found such a warm reception in Arlington Heights that he has decided to make it his permanent home. He has started work on a brick bungalow at 520 south State road.

The story about town is that his house is designed from an illustration that appeared in a recent number of Woman's Home Combpanion. Either Mrs. George is the boss of the family or George spends his spare time reading women's magazines.

Pecchia, Rippey and Howes In Charge Of Arlington District

Victor A. Pecchia and Delmer R. Rippey, Arlington Heights and Geo. W. Howes, Palatine, were named members of the draft board of district one of Cook county this week by Paul G. Armstrong, state director of selective service. President Roosevelt approved the appointments Tuesday of 855 officials for 285 draft groups in Illinois.

Mr. Pecchia received orders Wednesday morning to report with members of his board at eight o'clock Thursday evening at the council chambers of the City of Chicago when instructions for the organization of the respective boards will be given to them.

The headquarters for district one is Arlington Heights and includes the townships of Barrington, Palatine, Wheeling, Northfield, Hanover and Schaumburg.

Park Ridge is the headquarters for Maine and Niles townships, the draft board members of which are Erwin Hirschberg, J. J. Linhart and Silas Cartland, all of Park Ridge.

Nearly all appointees to draft boards are men who saw service in the last World War. The work of these boards will begin after the registration today for possible military service of all men 21 to 35 years old, inclusive.

The first task of the boards will be to receive from election officials the registration cards of the registrants in each draft board area. Next, the boards will shuffle the cards thoroughly and number them serially, afterward posting the names and numbers at each board headquarters so that each registrant may see his serial number. A list of the names and numbers also will be sent to Washington.

Lottery to Determine Order

After a lottery in Washington has determined the order numbers of the various registrants the board will begin mailing questionnaires to these registered in each area, sending questionnaires first to those who appear at the top of the order number list.

The information asked will help qualify registrants as to their draft status. There are four main classifications: (1) available for service, (2) deferred because of occupational status, (3) deferred because of dependents, and (4) deferred specially by law or because unfit for military service.

Five Register From One Family

Five members of the Wm. Duenn family, Arlington Heights, registered Wednesday under the provisions of the draft act. There are probably few families in this part of Cook county with five sons between the ages of 21 and 36.

The youngest, Albert, 22 years old and William, Jr., are unmarried. Robert, 24, Walter, 30, and Edward, 34, are married. All of them reside in Arlington Heights. They have two sisters, Ruth and Mable, the latter being married and resides in Amburg, Wis. There are twelve grandchildren of Mr. and Mrs. William Duenn, Sr. Mr. Duenn was over the draft age at the time of the World war.

Ask $10,000 From Two Arlington Men

Judge C. M. Behrens, has held in abeyance his decision in a case against Chas. Foresman, Stonegate, Arlington Heights, which may be settled in a civil suit as the complainant, Jack Ferger, has started a suit in the Superior Court for $10,000, each, against Mr. Foresman and E. J. Hinsberger, owner of an Arlington Heights tavern.

Mr. Foresman is employed by the Daily News, Mr. Ferger by the Chicago Times. The states attorney's office did not relish its position between the pressure of two Chicago dailies and the prosecuting attorneys from that office have not pressed Judge Behrens for his decision.

Rumors of a settlement out of court have been flyng around town and perhaps the purpose of the present suit is to apply more pressure on Foresman and Hinsberger for a settlement.

Action is for personal injuries received by Ferger from the hands of Mr. Foresman in the Hinsberer tavern last July.

Milburn Bros. Gets Bridge Contract For Kirchhoff Road

Cook county board awarded the contract last week for the building of a bridge over Salt creek on Kirchhoff road to Milburn Bros., Mt. Prospect. It is understood the cost of the bridge is in the neighborhood of $35,000.

Walther League to Launch $100,000 Anniversary Drive At Chicago Convention

The Stevens hotel in Chicago will again be the scene of youthful activity Saturday and Sunday, October 19 and 20; on those two days the Walther League of the Northern Illinois District will hold its sixteenth annual convention. This organization is an affiliate of the International Walther League, youth organization of the Synodical Conference Lutheran church.

Mr. Martin H. Laufer, 30 E. Hinsdale avenue, Hinsdale, chairman of the convention committee, makes the promise that the plans so far warrant the largest turn-out of any district Walther League convention.

1500 young people are expected at the sessions which will be held in the grand ballroom, while close to a thousand will attend the fellowship banquet on Saturday evening.

The convention will officially be called to order by the district president, Mr. William Zieter, Chicago, at 2:30 o'clock on Saturday afternoon. The opening general assembly will break up into smaller sessions after a meeting of one hour. A conference of the presidents, leaders of the 221 societies in this district, is scheduled for a special period prior to the official opening of the convention. The sessions will adjourn at 5 p.m. to permit preparation for the social highlight —the annual fellowship banquet at 7 p. m. in the grand ballroom of the Stevens.

Each evening at the close of the program, the members and friends will gather in the lobby of the hotel for a song program. This feature proved so popular during the recent 48th International Walther League convention, also held at the Stevens the latter part of August, that the membership regards it an essential part of the program.

The outstanding business on the convention docket will be the launching of the Golden Anniversary drive for this district. This venture of the League was put into motion at the recent International convention, for the purpose of raising $100,000 as an anniversary offering by 1943, which is the golden anniversary year of the Walther League. The plan calls for the use of $78,000 of this fund for the erection of a building in Chicago which will house the League's headquarters and eventually also provide space for the Chicago branch of Valparaiso University, Valparaiso, Ind., which at this time is commemorating the 15th anniversary of its reorganization as a Lutheran university.

On Sunday, Oct. 20, at 2:30 o'clock the convention will again come to order; first in separate Christian Knowledge and Christian Service sessions, and at 4:15 for the concluding portion of the general assembly sessions.

At 7:30 p. m. the final service will take place in the Grand ballroom. At this time also the newly elected district officers will be formerly installed. The Rev. E. L. Roschke of St. Louis, official representative of the International Walther League and a member of the Young People's Board of the Missouri Synod Lutheran church, will preach the sermon.

The Northern Illinois is the largest of the forty districts in the International Walther League which are located throughout the United States and Canada. This great youth organization comprises 2,500 societies and has a total membership of approximately 100,000. The membership of the local district is 7,500.

May Be Interesting At Board Meeting Monday Night

Monday night's meeting of Arlington Heights village board promises to be rather interesting. Bids wil again be opened for the sale of $20,000 water revenue bonds and Alderman Schneberger will ask the board to take some definite action regarding installation of a local two-way police rdio.

Three of the aldermen oppose the installation and a fourth is leaning their way. Mayor Flentie may be called on to cast the deciding vote, or the proposition will be shelved by a vote of four to two.

The second offer of the revenue bonds specifies an interest rate of 3½%. A bid at 3 per cent was received at the last meeting of the board and was rejected. Bidders will be required to present certified checks in the sum of a thousand dollars.

Friends Help Mr. and Mrs. Henry Kehe Observe 25th Wedding Anniversary

Mr. and Mrs. Henry Kehe, of Des Plaines were married 25 years Wednesday. Saturday evening thirteen couples walked into their home and kidnapping Mr. and Mrs. Kehe, took them to Simpson's at Euclid and Rand roads, where they were accorded a real anniversary party.

Wednesday evening relatives of the Kehe and Krause families gathered at the same restaurant for a family dinner. Mr. Kehe is a member of the firm of Krause & Kehe, realators at Arlington Heights.

Church Observes Anniversaries This Sunday

The Evangelical and Reformed congregations of Chicagoland will assemble in the new and spacious First Congregational church, Washington and Ashland boulevards, Chicago on Sunday, October 27, at 3:00 o'clock in the afternoon for a memorable service that will give due recognition to three distinct anniversaries.

This important occasion will commemorate the 50th anniversary of the Hungarian Reformed church which was founded in Cleveland, Ohio, on October 12, 1890 by the Rev. Gustavus Juranyi.

The Evangelical Synod of North America will celebrate its centennial in recognition of the century-old activities of some missionaries from the Barmen and Basel mission societies of Germony who were sent to administer to the spiritual life of the German immigrants in and near St. Louis, Mo. On October 15, 1840 six pastors gathered at Gravois Settlement, Missouri, the famous Daniel Boone country, and covenanted together to serve the needs of their kinsmen, and with the result that the German Evangelical church society of the west was organized.

The Reformed church in the United States had its beginnings at Falkner Swamp, Skippack and Whitemarsh in Pennsylvania. On October 15, 1725, Pastor John Philip Boehm administered the first communion to the Falkner Swamp congregation. Pastor Boehm was instrumental in founding thirteen other congregations covering eight counties.

The Evangelical and Reformed church concluded their merger last June. The United church represents a denomination with over a million members, including over a dozen colleges and seminaries, scores of benevolent institutions and hospitals, and with missionary stations on nearly every continent.

The Reverend Dr. Gerhard W. Grauer, pastor of St. Phillipus Evangelical and Reformed church of Cincinnati, Ohio, will deliver the anniversary message to the Evangelical and Reformed constituency of Chicagoland.

Arlington Scouts Win Award At Annual Gim-O-Gash Pow-Wow

With a large percentage of their Troop present and displaying a very fine example of Troop Camping, Troop 7 of Arlington Heights, under the leadership of W. A. Miles, Scoutmaster, won the Gim-O-Gash Tombstone Award at the Annual Gim-O-Gash Pow-Wow held at Camp Dan Beard last weekend where 150 Scouts and Scouters enjoyed a camping experience.

Troop 23 of Mount Prospect, Russell Smith, Scoutmaster, and Troop 20 of Des Plaines, George Hachmeister, Jr., Scoutmaster, were runners-up in the Pow-Wow scoring.

Scouts and Leaders pronounced this the best Pow-Wow program that has been conducted and the program provided an abundance of fun, games and fellowship in addition to the demonstrations of camping and scoutcraft.

A treasure hunt and Scout games were part of the program Saturday morning and in the afternoon a number of competitive games and activities were conducted. The one providing the most fun for the spectators was a pie eating contest in which each contestant ate a blueberry pie while lying prone face down with his hands behind his back.

Truck Safety Stickers Must Be Obtained Before 1941 State License

State officers are now arresting truck owners for failure to secure proper safety sticker, for the October period. Truck owners without the proper safety stickers will not be able to purchase 1941 state licenses.

Winkelman Tire & Battery Shop, Arlington Heights is an authorized state inspection station and can issue the safety stickers on completion of the test and will make corrections that may be necessary.

Mr. Winkelman handled several hundred cars last spring and is prepared to give similar service this fall. He urges truck owners to come early or to make definite appointments.

Campbell Street Widening Improves Business District

The widening of West Campbell street, between Dunton and Vail, is welcomed by autoists. Pedestrians have not as much room as formerly, and autoists will not nick so many fenders. The work was done by WPA with adjoining property owners paying for the materials.

Jewel Food Store Opens

Arlington Heights residents are expected to turn out in large numbers this Thursday, October 17, to say "hello" to 700 guests from Barrington and Chicago who will be in town for the grand opening of the new Jewel Food Store at 15 West Campbell.

On that day our Barrington neighbors are proudly presenting to this community one of those clean, white friendly neighborhood Jewel stores that have been making such rapid progress through Chicago and suburbs in recent years and helping to keep Barrington and its environs high in public esteem.

A 1-lb. roll of sweet cream butter will be given away free on opening day to each customer whose meat department purchases total $1.00 or more. And in keeping with their policy of community service, Jewel is employing a staff of local people. These include Ferdinand Blohm, the market manager, Mary Dolinaye, the head checker, and Jesse Dalton, clerk, all from Arlington Heights. Mr. Ray Thuerk is the manager.

In the evening, from six to eight o'clock, Jewel plans a large open-house party at the new store for all employees. Special guests of the vice-president, Mr. F. M. Kasch, include all members of the Barrington Old-Timers Club, as well as the personnel of the present Barrington office and plant and employees of the Chicago office and allied stores. About 700 guests are expected for a buffet supper.

Democratic Women's Card Party, Monday

The Democratic women of Wheeling Township will hold their free card party at the field house in Arlington Heights next Monday at 8 p.m. Important speakers will be guests. All women are urged to come and bring their friends.

Prizes will be awarded and refreshments served.

The Truth About Police Radio For Arlington

In answer to Trustee Schneberger's "Show Down" on Police radio, that appeared in last week's issue of this paper, let it be known that we the undersigned members of the Village Board of Trustees, have always been in favor of having a "two-way" radio in the police car—but in conjunction with the Cook county highway police department, and not as a privately operated radio station.

With a hook-up with the county, we would be at all times connected, not only with our lodal station, but in addition, with most of our neighboring villages and police agencies in the entire northwest part of this county, at a total cost of $310.00.

Trustee's Schneberger's recommendation is for a privately operated station to serve only Arlington Heights, which wil cost according to him $910. But he has failed to inform you that in addition it would require three extra employees—licensed radio operators, to work twenty-four hours a day, 365 days a year in a soundproof room and an electrical engineer to keep the station studio and car radio in first class shape at all times. Costs for maintenance and installation to be additional.

Trustee Schneberger:— We are in favor of a two-way police radio system—a better police department with more protection to the tax payer, but we are also in favor of getting the best for the smallest cost.

The records of our village board meeting will show that the Police Benefit Dance was given as a Police Benefit and not for the purchase of village equipment. And we feel the public was so generous in their support, for the benefit of the police force.

Behrens To Hear Manslaughter Charge, Saturday

Carl M. Behrens, Arlington Heights, will be a rather busy judge Saturday afternoon. A group of lawyers will be on hand in the Ward Schaefer trial in which he is charged with manslaughter, causing the death of Herman Koelle, of Palatine three weeks ago. The coroner's jury absolved Schaefer of any blame, but heirs of the victim are insisting on the prosecution by the state's attorney's office.

"Hank" Hinz and Louis Eichler, both Arlington Heights men, were shooting at a squirrel near the residential section of West Wing street Sunday, when an incensed neighbor discovered that they had in their possession a hen pheasant and called the police. They are charged with hunting without a state license, shooting within the village limits and killing a hen pheasant. The penalty for the latter is a $50 fine.

Other cases on the docket for the afternoon included a number of state vehicle charges. The state officers have been enforcing the safety ticket law that applies to trucks and many local farmers have been taken before Judge Behrens.

Failure to secure a building permit before the erection of a two car garage on North Chestnut st., brought a $20 fine by Judge Behrens for the Best Built Construction Co., which contracted to erect a garage for Mr. Karl.

The counts against them are failure to secure a permit and operating without a business license. The garage can not be completed because erection of garages on rear of lots prior to building of residence is prohibited.

Mr. Karl, who resides in Chicago during the week, had visions of week-end visits to Arlington Heights, but made no provisions in his garage-home for those living conveniences that Arlington building code requires.

Paul Taege, building commissioner, will hereafter insist on a certificate of occupancy for all structures for which building permits are issued.

It's Your Turn To 'Do A Good Turn'

Th Boy Scouts of America provides a program of character development and citizenship training for all boys which is made available through the Northwest Suburban Council. As soon as a boy reaches nine years of age he may join a cub pack and enjoy cubbing training through his den and pack. He progresses up the ladder of achievement in cubbing until he becomes twelve years old when he graduates into a scout troop.

A boy may remain a scout as long as he desires as there is no maximum age limit but he becomes a senior scout at the age of 15 and may be a sea scout or an explorer scout.

The programs of cubbing, troop scouting and senior scouting are each planned for the characteristics of their particular age group but they are all a part of the great movement for the training of youth.

The Northwest Suburban Council is charged with the responsibility of providing the means by which every boy who wishes to become a cub and scout may do so. Each of the 10 communities in which there are packs and troops conduct an annual finance campaign in order that funds may be provided so that this responsibility may be carried out.

Of the entire council budget of $060.00 for this year, only $100.00 is used for the support of the National Council which makes the program of scouting possible. The balance of the budget is used by the Northwest Suburban Council in providing service for the fourteen packs, 30 troops and sea scout ships and the membership of 1,671 men and boys.

Who Gives To Scouting?

"Who contributes to the financial support of the cubs and boy scouts?" is a question asked frequently. The answer is "nearly everyone". As might be expected, the parents of the cubs and scouts are generous contributors. However, there are some parents of cubs and boy scouts who are unable to make contributions and, therefore, additional funds must be secured elsewhere.

Others who are liberal contributors are parents who had sons who were cubs and scouts; parents who have sons who some day will be cubs and scouts; parents of girls; couples who do not have any children; and unmarried people; business and professional men and women; estates; and various civic, patriotic, fraternal and social organizations all give to scouting.

Why Do They Give?

"Why do they give?" is another interesting question. Parents of cubs and scouts contribute because they want their sons to have the benefits of this training and are willing to share the expense for providing it. Parents who have had sons who were cubs and scouts give because they appreciate what scouting did for their sons and they want scouting to continue and want other boys to enjoy the benefits of it. Parents who have sons who will become cubs and scouts as soon as they become of cub and scout age support scouting to insure that scouting training will be available in the future.

Parents of girls are outstanding generous givers because they know their daughters will have better companions if the young men they associate with have been scouts. Couples and unmarried people help finance scouting because they want to do their part in providing scout training for worthy boys. And business and professional men and women and various organizations lend their financial assistance because they know that scouting makes a better community in which to work and live.

How Much Do They Give?

"How much do these individuals and organizations give to scouting?" While the total sum is large it is not surprising, nor is it too much, considering the worth of the project to the boys, to everyone and to the community. Many gifts are not large in the amount of money but are mighty generous considering the circumstances of the giver. Then there are a great number who contribute $5.00, which is the amount required to support a scout or a cub for a year. And the quantity of $10, $15, $20, and $25 gifts is most unusual. There are even a substantial number of $50 and $100 contributors. The boy scouts, however, welcome gifts of any amount. Many who cannot afford to give as much as they would like, aid scouting by helping to solicit funds from others.

How Do They Give?

"How do the contributors give?" is a very simple question to answer. Most of them pay or pledge their contribution to the solicitor who calls upon them. Many even mail in their checks without being solicited. A large percentage is paid in cash.

When Do They Give?

"When do the contributors pay or pledge?" Usually they do it once a year when the annual financial campaign is being held.

Preparations are being made in Palatine and Arlington Heights to conduct the annual finance campaign for Palatine and Arlington Heights share of the Council budget. Based on the present membership of cubs and scouts, the amount contributed last year in Palatine was $3.00 per member. This was only 3/5 of the total cost based on the number of boys registered. Arlington Heights has contributed $3.87 per membebr or 3/4 of the cost. It is expected this year the amount [illegible] of last year.

Delinquent Tax List In This Issue

The publication of the delinquent tax list in this issue represents one of the cogs in the machinery of tax collections as provided in the state statutes. Many of those whose names appear therein may have paid their taxes during the past two weeks, too late to have their names removed from the published list. Others have paid under protest, in which case a star appears before the amount.

Tax collections are improving in many counties of the state, but Cook county stands 98th in the list of 102 counties.

Cook county for the past five years has averaged 79.7 per cent tax collections each year from the current levy and 86.8 per cent total collections from all levies, according to a survey made public here by Barcus, Kindred & Company, specialists in Illinois municipal bonds. The survey, based on data obtained from county officials included the years 1935 through 1939. is 98th in the state.

Statewide tax collections for the five years, with Cook county excepted, averaged 91.6 per cent from the current levy and 96.8 per cent from all levies.

That tax collections throughout Illinois are good is indicated by the fact that 47 of the state's 102 counties had collections averaging 98 per cent or more during the period studied. Only five counties had total collections averaging less than 90 per cent; and only 15 averaged less than 95 per cent.

A Great Experience But Never Again, Says Federal Juror

Henry Hagenbring and Warren L. Fellingham have returned to their homes in Arlington Heights after serving nearly seven weeks on the Johnson case in the Federal court before Judge Barnes. Johnson was found guilty and can be sentenced to a prison term of 22 years and a fine of $50,000.

Mr. Fellingham was in the regular jury panel. Mr. Hagenbring was an alternate member of that body. The latter received the same treatment and was held under the same restrictions as the regular jurors. He was kept in the jury box until the regular twelve left the court room to arrive at their verdict, when he was excused from further service.

For seven long weeks, only censored newspapers with articles clipped out of them, were allowed to reach the members of the jury. They had an entire suite on the LaSalle hotel at their disposal and good meals. Entertainment was provided them in the form of movies and shows. One Sunday, the jury was taken on an auto ride up the north shore to Arlington Heights, where a stop was made at the Hagenbring store. A marshall obtained keys to the store from Mrs. Hagenbring, who was not allowed to talk to her husband.

There were no telephone messages and letters to and from the jurors were censored. Private elevators and special busses were used; barbers were warned not to engage a juror in conversation and every effort made to keep the jurors free from influences.

The two Arlington Heights jurors learned a lot about the cost of outfitting a place like Bon Air country club with its $45,000 raising stage, etc. A number of the towns adjoining Arlington Heights were represented among the witnesses who testified, but evidently Arlington Heights citizens had nothing to do with the alleged gambling racket in which Johnson was implicated.

Mr. Hagenbring says that he enjoyed the experience, but never again for him. Alternate jurors are selected to fill vacancies in case a juror becomes ill or death comes to his immediate family.

Karstens Tells How To Bowl; Schimming Proves Boomerang

It was a first vacation for Mr. and Mrs. George Schimming and the twentieth wedding anniversary of Mr. and Mrs. Walter Karstens that occasioned a joint trip to Minnesota last week. Although they skipped some ideal Indian summer weather here, they succeeded in painting the towns of Duluth and Minneapolis in "fall colors," according to George. "Walt" must have been teaching George a few rudiments of bowling on the way. It was mainly because of George that his team took two from Karstens Monday night in the Arlington Heights Lions bowling league.

Home Building Costs On The Upward Trend

Al Chase in the Chicago Tribune says that home building costs are on the upward trend. Demand for labor to carry out the plans for national defense, with the government entering the supply market has boosted building costs thruout the country and those who wait until next year to build a home will be required to pay 10 to 20 per cent more than those who are buying today.

Chas. West. of J. P. and J. W. O'Connor is warning prospective home owners that a delay will cost them money.

Local Draft Machinery Is Set In Motion

Many Volunteered For Service On Local Draft Boards

Service on the draft boards Wednesday was volunteer services with no remuneration in sight, but township registrars report that they had no difficulty in obtaining men aud women to handle the registration. Chief registrars were appointed so far as possible for each of the places used. These were responsible for the registration in that particular precinct. They also had the authority to appoint additional registrars that might be needed to handle the crowds.

Commissioner Busse Wages Lone Battle To Cut Road Cost

County Commissioner Wm. Busse waged a lone battle in the county board last week to halt the approval of a contract for the use of asphalt for resurfacing Pulaski road in place of concrete. The additional cost to the county, stated Mr. Busse, was $168,000. He called on President Smith to veto the contracts, but to no avail. The only board member to vote with Mr. Busse was Commissioner Smith.

The charge is made that an attempt is being made to revive the asphalt ring which passed out of existence after the death of Michael Carrozzo, czar of the street worker's union. Major Quinlan recommended the use of asphalt in place of concrete giving as his reason the frequent opening the street because of utilities underneath. The state highway commission is said to have requested that Cook County award some asphalt work.

Chicago Tribune in an editorial Oct. 9 said, "Thanks to the efforts of County Commissioner Wm. Busse, the award of a contract for paving section of Pulaski road was delayed . . . there is ground here for suspecting a political paving scandal."

George Poole, Ford Dealer, To Build Own Home Here

George Poole, Arlington Heights Ford dealer, has found such a warm reception in Arlington Heights that he has decided to make it his permanent home. He has started work on a brick bungalow at 520 south State road.

The story about town is that his house is designed from an illustration that appeared in a recent number of Woman's Home Combpanion. Either Mrs. George is the boss of the family or George spends his spare time reading women's magazines.

Pecchia, Rippey and Howes In Charge Of Arlington District

Victor A. Pecchia and Delmer R. Rippey, Arlington Heights and Geo. W. Howes, Palatine, were named members of the draft board of district one of Cook county this week by Paul G. Armstrong, state director of selective service. President Roosevelt approved the appointments Tuesday of 855 officials for 285 draft groups in Illinois.

Mr. Pecchia received orders Wednesday morning to report with members of his board at eight o'clock Thursday evening at the council chambers of the City of Chicago when instructions for the organization of the respective boards will be given to them.

The headquarters for district one is Arlington Heights and includes the townships of Barrington, Palatine, Wheeling, Northfield, Hanover and Schaumburg.

Park Ridge is the headquarters for Maine and Niles townships, the draft board members of which are Erwin Hirschberg, J. J. Linhart and Silas Cartland, all of Park Ridge.

Nearly all appointees to draft boards are men who saw service in the last World War. The work of these boards will begin after the registration today for possible military service of all men 21 to 35 years old, inclusive.

The first task of the boards will be to receive from election officials the registration cards of the registrants in each draft board area. Next, the boards will shuffle the cards thoroughly and number them serially, afterward posting the names and numbers at each board headquarters so that each registrant may see his serial number. A list of the names and numbers also will be sent to Washington.

Lottery to Determine Order

After a lottery in Washington has determined the order numbers of the various registrants the board will begin mailing questionnaires to these registered in each area, sending questionnaires first to those who appear at the top of the order number list.

The information asked will help qualify registrants as to their draft status. There are four main classifications: (1) available for service, (2) deferred because of occupational status, (3) deferred because of dependents, and (4) deferred specially by law or because unfit for military service.

Five Register From One Family

Five members of the Wm. Duenn family, Arlington Heights, registered Wednesday under the provisons of the draft act. There are probably few families in this part of Cook county with five sons between the ages of 21 and 36.

The youngest, Albert, 22 years old and William, Jr., are unmarried. Robert, 24, Walter, 30, and Edward, 34, are married. All of them reside in Arlington Heights. They have two sisters, Ruth and Mable, the latter being married and resides in Amburg, Wis. There are twelve grandchildren of Mr. and Mrs. William Duenn, Sr. Mr. Duenn was over the draft age at the time of the World war.

Ask $10,000 From Two Arlington Men

Judge C. M. Behrens, has held in abeyance his decision in a case against Chas. Foresman, Stonegate, Arlington Heights, which may be settled in a civil suit as the complainant, Jack Ferger, has started a suit in the Superior Court for $10,000, each, against Mr. Foresman and E. J. Hinsberger, owner of an Arlington Heights tavern.

Mr. Foresman is employed by the Daily News, Mr. Ferger by the Chicago Times. The states attorney's office did not relish its position between the pressure of two Chicago dailies and the prosecuting attorneys from that office have not pressed Judge Behrens for his decision.

Rumors of a settlement out of court have been flyng around town and perhaps the purpose of the present suit is to apply more pressure on Foresman and Hinsberger for a settlement.

Action is for personal injuries received by Ferger from the hands of Mr. Foresman in the Hinsberer tavern last July.

Milburn Bros. Gets Bridge Contract For Kirchhoff Road

Cook county board awarded the contract last week for the building of a bridge over Salt creek on Kirchhoff road to Milburn Bros., Mt. Prospect. It is understood the cost of the bridge is in the neighborhood of $35,000.

CHRISTIAN SCIENCE CHURCHES

"Are Sin, Disease, and Death Real?" was the subject of the Lesson-Sermon in all Churches of Christ, Scientist, on Sunday, October 13.

The Golden Text was, "He that is our God is the God of salvation; and unto God the Lord belong the issues from death" (Psalms 68:20).

Among the citations which comprised the Lesson-Sermon was the following from the Bible: "Is any among you afflicted? let him pray. Is any sick among you? let him call for the elders of the church; and let them pray over him, anointing him with oil in the name of the Lord: And the prayer of faith shall save the sick, and the Lord shall raise him up; and if he have committed sins, they shall be forgiven him" (James 5:13-15).

The Lesson-Sermon also included the following passages from the Christian Science textbook, "Science and Health with Key to the Scriptures," by Mary Baker Eddy: "The prayer that reforms the sinner and heals the sick is an absolute faith that all things are possible to God,—a spiritual understanding of Him, an unselfed love. . . . Prayer, watching, and working, combined with self-immolation, are God's gracious means for accomplishing whatever has been successfully done for the Christianization and health of mankind" (p. 1).

WALTHER LEAGUE

Northern Illinois District

News items for this department should be mailed not later than Monday to Arlene Nagel, publicity chairman, 804 N. Douglas St., Arlington Heights.

Be sure to read the article on the District Convention that appears elsewhere in this paper. Our Leaguers look for this column each week, but, naturally, our non-members don't read it unless it is especially brought to their attention; as our convention is a main part of our Leagues' activities, it merits the attention of all people, members and otherwise.

Here are the names of the delegates from our zone: Arlington Seniors, Florence Honemann; Arlington Juniors, Lois Bokelmann and Bob Schwolow; Bensenville, Walter Gerth, Saturday, and Myrtha Weinrich on Sunday; Itasca, Elda Elbert; Des Plaines, Rose Mensching; Park Ridge, St. Andrews, Pearl Baumgart; Norwood Park, Dorothy Maegdlin; Schaumburg, Lorraine Pohlmann; Niles, Walter Bloethner. We know that these people will be real delegates and bring home some inspiring and new, workable ideas.

Someone called my attention the other night at Zone Board meeting that it was erroneously stated several weeks ago that the Higgins-Canfield rink held only seventy-five people. It holds seventy-five couples, which, of course, just doubles its capacity and which might encourage more people down there. Here is an expert from Ada Zimmer's nice letter: "The roller skating at St. Paul's, Higgins-Canfield Roller Rink, has proved very successful I'm sure Norwood Park and Niles Walther Leaguers will agree that it is fun to skate there (on their feet or otherwise.) Come and try it. Any Walther League interested in reservations for skating nights should get in touch with Mr. Sachtleben or Rev. Zimmer."

She also says that the roller-skating club has not started up as yet this fall, but they plan to start shortly. They plan to have yellow sweaters and black skirts for the girls and yellow shirts for the boys and of course, use our own Walther League emblems. These outfits should really make us distinctive when we go skating at Riverview, the Armory, and other places. Even if your League as a whole doesn't want to join the club, why don't just a few of you more energetic and "extraverts" join and have some fun for yourselves?

Here is some news from the Barrington League. They held their election in September and here are the results: Herbert Gehrke, president; Eleanor Nightingale, vice-president; Arlene Hartwig, secretary; Emily W. Blume, treasurer; Helen Blume, Christian Service chairman; and Eleanor Gehrke, Christian Knowledge chairman. We have had the pleasure of knowing only Arlene (our identical names is purely incidental) but am sure the rest will come to our rallies and other zone activities.

Evidently, Cupid doesn't pass up even Barrington for on August 11, Miss Gwendolyn Wolff became the bride of Thomas Tucker (Little Tommy Tucker?) Gwendolyn, you may remember, was publicity correspondent for a while and also was a Talent Quest entrant for several years. Congratulations!

Here are some of the zone activities we hope will help to draw our Barrington friends, along with the rest. On November 17 there will be a lecture of special importance to young people, and to Leaguers. The topic and place have not yet been decided, although the speaker has been reserved. As soon as we hear from Glenn or Rev. John, we'll pass all the details on to you.

Dick Niemeyer reports that there will be a fall hike and weiner roast in the early part of November.

It was suggested and favorably acted upon that our zone have an operetta, using talents from all our Leagues, and to present it as a zone undertaking. If each individual League agrees on this action, plans wil be made to present it either the latter part of this year or the fore part of next. An undertaking such as this will really unite our Leagues and do more for us than just a rally two or three times a year.

On October 27 all those who were receptionists at the Northwestern depot during the recent International Convention will go to Higgins-Canfield for some roller-skating and reminiscing on the fun they had at the convention. Something to really look forward to. Wally B. will probably send out cards with more details.

Oh, yes, Wally Fill of Norwood Park who had so much fun at the Arlington rally with talk about his nephew especially asked me to tell you that the baby is now up to 14 pounds and recognizes his Uncle as yet but intend to very shortly. as yet but inend to very shortly.

June Wille Is Bride Of Harvey Schaefer

Miss June Wille daughter of Mr. and Mrs. Adolph Wille of Mt. Prospect and Harvey Schaefer, son of Mr. and Mrs. John Schaefer were married on Saturday afternoon in the St. James Catholic church at 3 p.m. Rev. Stier performed the ceremony before the altar which was decorated with fall flowers.

Miss Wille wore for her wedding a gown of white satin and lace fashioned with a long train. Her veil was finger tip length and she carried white roses.

Katharine Weidner of Arlington Heights served as maid of honor and was the bride's only attendant. She wore a gown of raisin colored taffeta with burgundy accessories and carried tea roses.

Arnold Schaefer was best man for his brother.

A reception for some sixty guests immediately followed the wedding and was held in St. James Hall.

Mr. Schaefer is employed at the Schaefer music store in Des Plaines and the young couple will make their home in Mt. Prospect.

Mt. Prospect Church Host To District Lutheran Pastors

Over sixty Lutheran pastors are expected to attend the semi-annual conference of the Northern Illinois district of the Evangelical Lutheran church, at Mt. Prospect next Tuesday and Wednesday. Rev. J. E. A. Mueller and St. Paul's church will be the hosts.

PRE-NUPTIAL SHOWER

Miss Marion Drechsel was given a miscellaneous shower Tuesday evening at the home of her aunt, Mrs. Nick Jirak in Chicago where a company of about twenty-five guests joined in the happy event. Many beautiful gifts were given to Miss Drechsel. Bunco with fine prizes gave a pleasing program and bountiful refreshments were served and everyone had a happy evening. Miss Drechsel, daughter of Mr. and Mrs. A. J. Drechsel, N. Dunton avenue will be married. October 19 -to Mr. Donald Meyer son of Mr. and Mrs. F. H. Meyer, N. Evergreen avenue. Among guests from Arlington Heights, were Mr. and Mrs. Dreschel, Mrs. F. H. Meyer and daughters, Misses Marva and Juanita, Miss Irma Bollenbach, Mrs. Paul Hoffman, Mrs. Cunningham and friend, all of whom were happy to be present at the fine party.

WANT HOME FOR TWO WATCH DOGS

Is there a family or a farmer who will welcome a good watch day? Mr. Kienzler, residing on Lake avenue, one mile east of Milwaukee ave., has two female dogs of kind disposition who are reliable and can become protectors to children and property. Mr. Kiensler wants to get rid of the dogs at once.

WALTHER LEAGUE

Northern Illinois District

News items for this department should be mailed not later than Monday to Arlene Nagel, publicity chairman, 804 N. Douglas St., Arlington Heights.

Be sure to read the article on the District Convention that appears elsewhere in this paper. Our Leaguers look for this column each week, but, naturally, our non-members don't read it unless it is especially brought to their attention; as our convention is a main part of our Leagues' activities, it merits the attention of all people, members and otherwise.

Here are the names of the delegates from our zone: Arlington Seniors, Florence Honemann; Arlington Juniors, Lois Bokelmann and Bob Schwolow; Bensenville, Walter Gerth, Saturday, and Myrtha Weinrich on Sunday; Itasca, Elda Elbert; Des Plaines, Rose Mensching; Park Ridge, St. Andrews, Pearl Baumgart; Norwood Park, Dorothy Maegdlin; Schaumburg, Lorraine Pohlmann; Niles, Walter Bloethner. We know that these people will be real delegates and bring home some inspiring and new, workable ideas.

Someone called my attention the other night at Zone Board meeting that it was erroneously stated several weeks ago that the Higgins-Canfield rink held only seventy-five people. It holds seventy-five couples, which, of course, just doubles its capacity and which might encourage more people down there. Here is an expert from Ada Zimmer's nice letter: "The roller skating at St. Paul's, Higgins-Canfield Roller Rink, has proved very successful I'm sure Norwood Park and Niles Walther Leaguers will agree that it is fun to skate there (on their feet or otherwise.) Come and try it. Any Walther League interested in reservations for skating nights should get in touch with Mr. Sachtleben or Rev. Zimmer."

She also says that the roller-skating club has not started up as yet this fall, but they plan to start shortly. They plan to have yellow sweaters and black skirts for the girls and yellow shirts for the boys and of course, use our own Walther League emblems. These outfits should really make us distinctive when we go skating at Riverview, the Armory, and other places. Even if your League as a whole doesn't want to join the club, why don't just a few of you more energetic and "extraverts" join and have some fun for yourselves?

MERLE GUILD POST NO. 208 AERICAN LEGION NEWS

By the efforts of the newspaper Pick Up Committees appointed by the Commander and with the cooperation of the people of Arlington Heights, Merle Guild Post was enabled to collect sufficient old papers, books, magazines etc. to produce total receipts from the sale of this material amounting to $67.54 which has been turned over to the Arlington Heights Public Health Committee for use by the Dental Clinic.

The Post members wish especially to thank the Paddock Publications for their assistance with publicity, the People of the village for their cooperation, Mr. Lattof and comrade Walter Berchet for transportation and The Pioneer Paper Stock company of Chicago for their assistance and whole hearted cooperation in the disposition of the paper stock collected.

At a meeting of the Post October 8, fathers and sons were welcomed and entertained. Comrade G. Rexford Volz was present and showed motion pictures (in color) including those taken June 9 at the Youth Convention and Parade.

These pictures reproduced many happy events and were of especial interest to the boys. Many thanks to Rex and his father Mr. Albert F. Volz who took the pictures.

Mr. Frank Freyermuth Jr. the representative of the Post at Premier Boys State held at Springfield in June read his written report and it was received with many compliments to this young man, whom the Post members feel is a fine example of young manhood and a credit to our village.

Charles F. Hardtke, chairman of the Boys State committee of the Post introduced Paul Carroll Jr, Charles Daggett, and Mr. Enkelking, three fine young men who had been the representatives of the Post at Boys State in previous years and they were given a fine welcome.

Miles H. Burpee reported that the Annual Home Talent and Minstrel show was to be a decided improvement over previous shows and urged that a special effort be made to fill the high school auditorium on October 17, 18 and 19 on which evenings the show will be staged.

The members of the Post were sorry to learn of the death of Mrs. Willis Breese and the serious illness of Mrs. George Palmer and Mrs. Miles Burpee.

The next meeting of the Post will be held Tuesday, October 22 and it is expected that a good number of Legionnaires will be present.

MERLE GUILD POST NO. 208 AERICAN LEGION NEWS

By the efforts of the newspaper Pick Up Committees appointed by the Commander and with the cooperation of the people of Arlington Heights, Merle Guild Post was enabled to collect sufficient old papers, books, magazines etc. to produce total receipts from the sale of this material amounting to $67.54 which has been turned over to the Arlington Heights Public Health Committee for use by the Dental Clinic.

The Post members wish especially to thank the Paddock Publications for their assistance with publicity, the People of the village for their cooperation, Mr. Lattof and comrade Walter Berchet for transportation and The Pioneer Paper Stock company of Chicago for their assistance and whole hearted cooperation in the disposition of the paper stock collected.

At a meeting of the Post October 8, fathers and sons were welcomed and entertained. Comrade G. Rexford Volz was present and showed motion pictures (in color) including those taken June 9 at the Youth Convention and Parade.

These pictures reproduced many happy events and were of especial interest to the boys. Many thanks to Rex and his father Mr. Albert F. Volz who took the pictures.

Mr. Frank Freyermuth Jr. the representative of the Post at Premier Boys State held at Springfield in June read his written report and it was received with many compliments to this young man, whom the Post members feel is a fine example of young manhood and a credit to our village.

Charles F. Hardtke, chairman of the Boys State committee of the Post introduced Paul Carroll Jr, Charles Daggett, and Mr. Enkelking, three fine young men who had been the representatives of the Post at Boys State in previous years and they were given a fine welcome.

Miles H. Burpee reported that the Annual Home Talent and Minstrel show was to be a decided improvement over previous shows and urged that a special effort be made to fill the high school auditorium on October 17, 18 and 19 on which evenings the show will be staged.

The members of the Post were sorry to learn of the death of Mrs. Willis Breese and the serious illness of Mrs. George Palmer and Mrs. Miles Burpee.

The next meeting of the Post will be held Tuesday, October 22 and it is expected that a good number of Legionnaires will be present.

VAIL-DAVIS BLDG. ARLINGTON HEIGHTS

Geraldine Firnbach Is Married

St. James' Catholic church at Arlington Heights was the scene of a pretty and impressive nuptial mass at 9 o'clock on Saturday morning October 12th when Father Stier united in holy matrimony Miss Geraldine Firnbach, only daughter of Mr. John Firnbach of Arlington Heights, and Mr. A. J. Johann from Park Ridge.

The bride was given in marriage by her father, and made a radiant picture gowned in heavy eggshell satin with long train. Her trailing veil was of gardenia silk net with finger-tip overlay, and she wore a wreath of orange blossoms and carried a shower bouquet of bride's roses, maidenhair fern and baby pom pons.

Her cousin Mrs. Orris Neagle, whom the bride had formerly served as maid-of-honor, was her only attendant.

Mrs. Neagle was gowned in orchid silk taffeta with matching accessories, and wore an orchid velvet, heart-shaped hat with streamers.

She carried an arm bouquet of yellow roses and maiden-hair fern.

Mr. L. C. Johann of Park Ridge, brother of the groom, acted as best man.

After the ceremony and congratulations the bridal party proceeded to the Fitzpatrick home, 827 N. State Road, where the bride's aunt served an elaborate candle-light wedding breakfast.

The table was resplendent in sparkling crystal and glass and was illuminated by the soft glow of light from the four large decorated candles at the table ends to the miniature replicas, burning at each plate, to which the place- cards were attached. The beautiful menu was indeed indicative of wedding feast, supplemented by the huge wedding cake.

A gorgeous arrangement of flowers and autumn leaves decorated the home, for the occasion. Many congratulations and beautiful gifts, as well as congratulatory messages, helped to gladden the heart of Mr. and Mrs. A. J. Johann.

The couple left on Saturday evening on a two week's trip which includes a stop-over at one of his brothers in Ft. Wayne, Ind. and another at Toledo, Ohio.

Upon their return they will be at home in the bride's home at 103 N. Pine Ave.

Campfire Girls Grow

CAMP FIRE GIRLS

Camp fire Groups Grow under good leadership—heading

The Campfire groups organized a few years ago in Arlington Heights with a small membership are showing a steady gain and now number 65 busy and happy girls, who meet each Monday evening after school under the leadership of guardians, and who are sponsored by the P.-T. A. and the Womans Club.

A visit to the various groups in meeting on a Saturday when they have their nature hikes, and do their meal planning and cooking over the open fire, or on Monday when they work for citizenship, homemaking and many other honors, proves the value of this worthy organization.

At present the girls of one group are busy making miniature gardens, making trips to the woods to gather the plants, and the plants ferns and lichen. Some of the girls are making nature plaques, learning in this manner the names of the different leaves, and also acquiring some lovely decorative plaques for their own rooms.

Other groups work from time to time on their bead work to be worn in their ceremonial meetings, and at all times they are busy and happy.

There are four ranks of Campfire girls, and there are a number of girls working in each rank for the honors in that rank. The ranks are trailseekers, woodgathers, firemakers, and torch bearers, and in these ranks they work for the honors of home health, camp, nature, handwork, business and citizenship.

The bluebird group is the auxiliary group to campfire, and includes girls in the 3rd and 4th grades.

Mrs. Jarvis is guardian of the Trailseekers, with Rosemary Heller and Nan Sommer her able assistants.

Mrs. John Kumler is guardian of the Torch bearers and is assisted by Mrs. Paul Collins.

Mrs. Hayes is guardian of the Woodgathers and is assisted by Frances Schneberger.

Mrs. Rex Volz is guardian of the Firemakers group.

The Woodgathers elected the following officers at their Monday meeting, Jane Hayes president, Jean Fretermuth Vice-president Patsy Collins secretary, and Carla Bloecher treasurer.

The Bluebird group met this week and elected officers and chose names for their societies. Mrs. Ross Richards group selected Ila Miller president, and Patsy Boyles secretary. Mrs. Adam Sledz group elected Marjory Sledz president and Beverly Oden secretary. Mrs. Jos. Shrader's group elected Judy Schaeffer president and Ray Chidley secretary and Mrs. Boss's group elected Jean Ross president and Irene Lattoff secretary.

BLUEBIRD TEA

The Campfire board will be hostesses to the Mothers of the girls who have joined the Bluebirds at a tea on Wednesday afternoon, October 23rd at the home of Mrs. B. H. Jarvis from 3:30 to 5 o'clock. The aims and ideals of the organization will be explained to the Mothers, and the plans for the years work will be discussed.

CAMPFIRE BAKE SALE

The campfire Bake Sale board are sponsoring a bake sale on Saturday, October 26th at the Public Service Store on Vail and Campbell St. starting at one o'clock, for the benefit of the Campfire girls and the Bluebirds. While these groups are sponsored by the P.-T. A. and the Woman's Club it is necessary to raise some additional funds for honors and working materials. Any one wishing to contribute to this worthy project may call any member of the Campfire board, Mesdames Ralph Manley, Charles Bloecher, Paul Collins, Rex Volz, Harry Knaack, Daniel Crumlisch, J. M. Kumler, and Orville Baldwin.

Geraldine Firnbach Is Married

St. James' Catholic church at Arlington Heights was the scene of a pretty and impressive nuptial mass at 9 o'clock on Saturday morning October 12th when Father Stier united in holy matrimony Miss Geraldine Firnbach, only daughter of Mr. John Firnbach of Arlington Heights, and Mr. A. J. Johann from Park Ridge.

The bride was given in marriage by her father, and made a radiant picture gowned in heavy eggshell satin with long train. Her trailing veil was of gardenia silk net with finger-tip overlay, and she wore a wreath of orange blossoms and carried a shower bouquet of bride's roses, maidenhair fern and baby pom pons.

Her cousin Mrs. Orris Neagle, whom the bride had formerly served as maid-of-honor, was her only attendant.

Mrs. Neagle was gowned in orchid silk taffeta with matching accessories, and wore an orchid velvet, heart-shaped hat with streamers.

She carried an arm bouquet of yellow roses and maiden-hair fern.

Mr. L. C. Johann of Park Ridge, brother of the groom, acted as best man.

After the ceremony and congratulations the bridal party proceeded to the Fitzpatrick home, 827 N. State Road, where the bride's aunt served an elaborate candle-light wedding breakfast.

The table was resplendent in sparkling crystal and glass and was illuminated by the soft glow of light from the four large decorated candles at the table ends to the miniature replicas, burning at each plate, to which the place- cards were attached. The beautiful menu was indeed indicative of wedding feast, supplemented by the huge wedding cake.

A gorgeous arrangement of flowers and autumn leaves decorated the home, for the occasion. Many congratulations and beautiful gifts, as well as congratulatory messages, helped to gladden the heart of Mr. and Mrs. A. J. Johann.

The couple left on Saturday evening on a two week's trip which includes a stop-over at one of his brothers in Ft. Wayne, Ind. and another at Toledo, Ohio.

Upon their return they will be at home in the bride's home at 103 N. Pine Ave.

CARD OF THANKS

We wish to thank our friends and neighbors for the many kindnesses shown us in our bereavement and for the beautiful floral tributes. We are especially grateful to Reverend Toepel for his understanding words of comfort.

The John E. Kath family.

John E. Kath

In spite of the heavy rain on Monday when the clouds seemed to be weeping in sympathy, hundreds of folks vlled St. Matthews church in East Maine to overflowing, as they came to pay final respects to the memory of a beloved citizen of his community, John E. Kath, who passed away Friday morning, October 11, in a Chicago hospital. JoJhn had entered the hospital less thn two weeks previously, for observation and treatment of a malady which had long plagued him, due to a bad hert condition.

Mr. KaKth was born June 28, 1886, son of the late Mr. and Mrs. John A. Kath, in what was formerly known as Jefferson Park. He received his schooling at the Maine public school and St. Matthews parochial school, being confirmed by Reverend Carl Buenger, March 26, 1899. He married Miss Dora Ellerbrock, November 1, 1913, and two children, Ray and Violet were born to make the family circle complete. He became a voting member of the congregation in 1914 and in 1929 was elected to the office of financial secretary which post he held for seven years.

Funeral services were conducted at the late home on Cumberland avenue, Monday at 2 p.p m. with Reverend Toepel officiating, continuing same at the church. The pastor addressed the assembly in German and English, delivering sermons of deep comfort basing his German text on John 6, 51 and the English on Psalm 66, verse 16.

Officiating as pall-bearers were Christ Kath, William Hammer, Herman Koelper, Hans Poehls, Fred Beto and Henry Engel. Burial was at Town of Maine cemetery.

Survivors include the sorrowing widow and children, 2 sisters, Mrs. Lizzie Hamann and Mrs. Lilly Darlington and scores of other relatives and hosts of friends all of whom will sadly miss the heery word and happy smile which he had for all.

Masonic Lodge Celebrates 90th Anniversary

First Meeting Was Held Oct. 19, 1850

Between three and four hundred people assembled in Wheeling Community Hall Saturday evening to celebrate the nintieth anniversary of Vitruvious Lodge A. F. and A. M.

Past Master of Vitruvious Lodge Brother Edward H. Forke presided as master of ceremony for the evening. The invocational program was led by the Rev. D. C. Morrison. The program opened with the salute to the American Flag and the singing of the Star Spangled Banner. Fifteen past masters of the lodge were introduced by the present Master. Worshipful masters and past masters from other lodges were introduced by Brother John Rein, District Deputy of the 19th District.

The history of the lodge was presented by Brother Harry Talcott, past district deputy and honorary member of all 19th District Lodges.

A period of community singing, and an exhibition of sleight of hand tricks performed by Nick Tomei, North Shore magician, were special entertainment features of the program.

The principal speaker for the occasion was Brother Marshall Solburg of Chicago who was introduced by Roscoe Tearney of the Oriental consistory. Brother Solburg brought a stirring message of the past maintained by free masonry in the establishing of liberty in the government of the world, and urged upon his fellow craftsmen to be loyal to the traditions of the past.

Ninety one years ago seven master masons, members of Lafayette Lodge No. 18 and Oriental Lodge No. 33, then the only lodge of Free Masonry in Cook County, met and resolved to petition for a dispensation to organize a new lodge at Dutchman's Point, now known as Niles. The petition asked that the name of the new lodge be Vitruvious taking the name from the architect and engineer Marcus Vitruvious Pollio, who lived in the first century B. C., and whose works are still a fundamental authority in that profession.

A dispensation was granted to these petitioners Oct. 4, 1849. On July 20, 1850 the lodge while still operating under the dispensation decided to move to Wheeling, and on Sept. 14, 1850 their petition to move to that place was granted by the Grand Master.

On Oct. 10, 1850 a charter was granted by the Grand Lodge of Illinois to Vitruvious Lodge No. 81 of Wheeling and the first meeting under the new charter held on Oct. 19.

Vitruvious Lodge during the greater part of its history was a "Moon Lodge" meeting the Saturday of each month on or before full moon. This arrangement served the very practical purpose of providing light for the brother masons who traveled many miles over dirt roads and trails during early days of the lodge.

All the lodges in the northwest part of Cook County owe their origin to Vitruvious Lodge directly or indirectly. From a small beginning has grown a large community of brethern all interested in a common philosophy of life.

The first building erected by Vitruvious Lodge for their meeting was the building now housing the Fassbender Hardware Store which was built in 1859.

In 1877 they moved into the building which they occupy as their present meeting place.

The first officers of Vitruvious Lodge No. 81 were: Wm. H. Davis, W. M., Samuel Anderson, S. W., Joseph Filkens, J. W., J. W. Sherman, Treas. D. Boyd, Sec., T. Brooks, S. D., A. Brown, J. D. F. Edwards, Tyler.

Present officers are::

Summer Sprague, W. M., Arthur Fallscher, S. W., John Forke, J. W., Robert Utpadel, Treas., Oliver Wolf, Sec., Emil Gust, Chaplain, Harold Forke, S. D., Henry Eggert, J. D., Arthur Laurance, S. S. Richard Whitacre, J. S. Frank Utpadel, Marshall, Edward Wesolek, Organist, Wallace Mayer, Tyler.

Following the anniversary program refreshments were served to all present in the basement of the gym.

LOCALS

Twenty girls met at the Presbyterian church on Monday afternoon to consider the formation of a Girl Scout Troop under the leadership of Mrs. L. P. Denoyer. Wheeling has not had a program of girl scouting since 1929 because of lack of leadership. Mrs. Denoyer has been a leader of troops in Chicago and Wilmette for twenty years besides actively participating in other departments of the Girl Scout program. We are happy that this opportunity to share in the adventure of scouting has opened to the girls of Wheeling community.

Mrs. Leah Lass and children Betty and Buddy of Evanston, and Mrs. Elsie Johnson, Mary Ann and Mrs. F. Bradford were callers at the Wright home last week.

Verne Schuler returned to Wheeling on Monday after spending a few weeks with his mother in Minnesota.

A fourteenth birthday on the fourteenth day of month happens only once, so Robert Wright celebrated that event on Monday with the help of fourteen friends, seven boys and seven girls. Bob's mother served a delicious lunch including a large angle food cake with fourteen candles. Bob received many gifts and all the boys and girls had a good time singing and playing games.

Mr. and Mrs. Oscar Schwab of Deerfield recently moved to Wheeling where they are making their home with Mr. R. Gisselbrecht.

Mrs. Ray Lesch was hostess to her 500 club last week. Winners for the evening were Mrs. Aug. Pieper, Mrs. A. A. Fassbender and Mrs. O. Lawrence.

Mrs. Hursch and son of Chicago were guests at the Frank Canfield home on Sunday.

The October meeting of the Wheeling P.-T. A. will be held next Monday, October 21, at 8 p.m. Guest speaker for the meeting will be Rev. Lundell of Northbrook. All members and friends are invited.

Mr. Otto Christensen, who made his home with the J. Barretts the past two years, was married to Miss Radena Hallstrom of Fairmont, Minn., on Monday, Oct. 7. They will make their home on the Hallstrom farm nine miles from Fairmont. Mrs. Christensen is a grand-niece of the John Meyers of Wheeling.

The Wheeling school boys accepted a challenge to meet Merrill school in a softball game last Friday. The boys petitioned one of the mothers, Mrs. Ray Lesch to furnish transportation for the team. A group of fans followed on their bicycles. When the boys came up for their raps in the seventh inning they were trailing 4-3. Spurred on by loyal support from the sidelines they brought in two runs and won the game 5-4. The line-up for Wheeling: pitcher, Jack Brumm, catcher, Bob Wright, 1 base, Victor Lesch, 2 base, Earl Schultz, 3 base, Wm. Reitz, short stop, Wm. Lee, short center, Eugene Lesch, right field, Earl Dueball, center field, Howard Welflin, left field, Ray Hanson. The boys will play a return game on the Wheeling diamond next Tuesday.

A baby was born to Mr. and Mrs. William Schwall on Monday evening, Oct. 14 at the Northwestern Hospital, Des Plaines. Mother and son are both doing well.

Mrs. Dalton Wright recently returned from Iowa where she had been assisting in the care of her father Mr. C. Mease, and her grandmother. She was glad to leave them both much improved in health.

Mrs. Fred Schmidt has wrecked his two car garage to make room for a larger garage with living rooms above.

The Carl Weidner family has moved from the Weidner farm to Chicago to be nearer Mr. Weidner's place of business. Mrs. Jos. Hertel and children are making their home with Mr. and Mrs. A. Weidner on the farm for the present.

Rev. D. C. Morrison was a guest preacher at the Chicago Christian Industrial League Mission last Thursday evening. The local church has been cooperating with the league in a material way for some time, but this was the first time it has contributed directly to the evangelistic program of the league. Twelve men responded to the Christain message and asked for further guidance.

On Oct. 10, 1850 a charter was granted by the Grand Lodge of Illinois to Vitruvious Lodge No. 81 of Wheeling and the first meeting under the new charter held on Oct. 19.

Vitruvious Lodge during the greater part of its history was a "Moon Lodge" meeting the Saturday of each month on or before full moon. This arrangement served the very practical purpose of providing light for the brother masons who traveled many miles over dirt roads and trails during early days of the lodge.

All the lodges in the northwest part of Cook County owe their origin to Vitruvious Lodge directly or indirectly. From a small beginning has grown a large community of brethern all interested in a common philosophy of life.

The first building erected by Vitruvious Lodge for their meeting was the building now housing the Fassbender Hardware Store which was built in 1859.

In 1877 they moved into the building which they occupy as their present meeting place.

The first officers of Vitruvious Lodge No. 81 were: Wm. H. Davis, W. M., Samuel Anderson, S. W., Joseph Filkens, J. W., J. W. Sherman, Treas. D. Boyd, Sec., T. Brooks, S. D., A. Brown, J. D. F. Edwards, Tyler.

Present officers are::

Summer Sprague, W. M., Arthur Fallscher, S. W., John Forke, J. W., Robert Utpadel, Treas., Oliver Wolf, Sec., Emil Gust, Chaplain, Harold Forke, S. D., Henry Eggert, J. D., Arthur Laurance, S. S. Richard Whitacre, J. S. Frank Utpadel, Marshall, Edward Wesolek, Organist, Wallace Mayer, Tyler.

Following the anniversary program refreshments were served to all present in the basement of the gym.

LOCALS

Twenty girls met at the Presbyterian church on Monday afternoon to consider the formation of a Girl Scout Troop under the leadership of Mrs. L. P. Denoyer. Wheeling has not had a program of girl scouting since 1929 because of lack of leadership. Mrs. Denoyer has been a leader of troops in Chicago and Wilmette for twenty years besides actively participating in other departments of the Girl Scout program. We are happy that this opportunity to share in the adventure of scouting has opened to the girls of Wheeling community.

Mrs. Leah Lass and children Betty and Buddy of Evanston, and Mrs. Elsie Johnson, Mary Ann and Mrs. F. Bradford were callers at the Wright home last week.

Verne Schuler returned to Wheeling on Monday after spending a few weeks with his mother in Minnesota.

A fourteenth birthday on the fourteenth day of month happens only once, so Robert Wright celebrated that event on Monday with the help of fourteen friends, seven boys and seven girls. Bob's mother served a delicious lunch including a large angle food cake with fourteen candles. Bob received many gifts and all the boys and girls had a good time singing and playing games.

Mr. and Mrs. Oscar Schwab of Deerfield recently moved to Wheeling where they are making their home with Mr. R. Gisselbrecht.

Mrs. Ray Lesch was hostess to her 500 club last week. Winners for the evening were Mrs. Aug. Pieper, Mrs. A. A. Fassbender and Mrs. O. Lawrence.

Mrs. Hursch and son of Chicago were guests at the Frank Canfield home on Sunday.

The October meeting of the Wheeling P.-T. A. will be held next Monday, October 21, at 8 p.m. Guest speaker for the meeting will be Rev. Lundell of Northbrook. All members and friends are invited.

Mr. Otto Christensen, who made his home with the J. Barretts the past two years, was married to Miss Radena Hallstrom of Fairmont, Minn., on Monday, Oct. 7. They will make their home on the Hallstrom farm nine miles from Fairmont. Mrs. Christensen is a grand-niece of the John Meyers of Wheeling.

The Wheeling school boys accepted a challenge to meet Merrill school in a softball game last Friday. The boys petitioned one of the mothers, Mrs. Ray Lesch to furnish transportation for the team. A group of fans followed on their bicycles. When the boys came up for their raps in the seventh inning they were trailing 4-3. Spurred on by loyal support from the sidelines they brought in two runs and won the game 5-4. The line-up for Wheeling: pitcher, Jack Brumm, catcher, Bob Wright, 1 base, Victor Lesch, 2 base, Earl Schultz, 3 base, Wm. Reitz, short stop, Wm. Lee, short center, Eugene Lesch, right field, Earl Dueball, center field, Howard Welflin, left field, Ray Hanson. The boys will play a return game on the Wheeling diamond next Tuesday.

A baby was born to Mr. and Mrs. William Schwall on Monday evening, Oct. 14 at the Northwestern Hospital, Des Plaines. Mother and son are both doing well.

Mrs. Dalton Wright recently returned from Iowa where she had been assisting in the care of her father Mr. C. Mease, and her grandmother. She was glad to leave them both much improved in health.

Mrs. Fred Schmidt has wrecked his two car garage to make room for a larger garage with living rooms above.

The Carl Weidner family has moved from the Weidner farm to Chicago to be nearer Mr. Weidner's place of business. Mrs. Jos. Hertel and children are making their home with Mr. and Mrs. A. Weidner on the farm for the present.

Rev. D. C. Morrison was a guest preacher at the Chicago Christian Industrial League Mission last Thursday evening. The local church has been cooperating with the league in a material way for some time, but this was the first time it has contributed directly to the evangelistic program of the league. Twelve men responded to the Christain message and asked for further guidance.

"Servant Trouble" Blondie's Funniest

Still boasting the typically American characteristics of "the family next door" whilh has already won them millions of devoted followers, Columbia's Bumsteads—Dagwood, Blondie, Baby Dumpling and Daisy —are back in the latest of their film series, "Blondie Has Servant Trouble," which plays Sunday, Monday, Tuesday, Wednesday at the Palatine Theatre.

Heralded from the beginning as the perfect embodiment of the laughable and loveable traits combined by Chic Young in his famous comic strip, Arthur Lake, Penny Singleton and Larry Simms renew their claims to this distinction. Of course, Daisy, as himself, is still putting on the dog as only he knows how.

The romance, beauty and traditions of the proud South, climaxed by the most spectacular Steeplechase in America, The Maryland Hunt Cup Race, are highlights of Darryl F. Zanuck's Technicolor production of "Maryland," new 20th Century-Fox picture which is cofeatured with the Bumstead film.

Together for the sixth time, Jeanette Mac Donald and Nelson Eddy add to their prestige as the screen's favorite romantic team in "New Moon," appearing Thursday, Friday and Saturday.

One of the largest feminine casts ever assigned to one picture took part in Columbia's "Girls of the Road," Thursday, Friday and Saturday at the Pal theatre, with Ann Dvorak, Helen Mack and Lola Lane heading the cast. In addition, more than 100 feminine atmosphere players are seen as "Girls of the Road," as vagrants, prisoners and in other difficult roles.

"One Million B C" Is Story Set In Prehistoric Surroundings

Fire Valley is a place that time forgot. That's the reason Hal Roach selected it as the spot for making much of his motion picture, "One Million B. C." current United Artists release at the Catlow Theatre Friday and Saturday.

The film, as the title suggests, has to do with early man and the dawn of civilization. Roach wanted authentic, prehistoric surroundings. He couldn't have found a more suitable place than Fire Valley. It begins a few miles out of Logandale, Nevada, and stretches some 20 miles. Of bright red sandstone, it looks like a bloody gash in the rockstrewn hills.

Fire Valley has few visitors. There isn't much reason for going into it, unless you're a fossil-hunter or a film producer. The wind is the Valley's most intimate companion and it has done strange things to the sandstone formation, achieving grotesque monuments of sculpture.

Erosion has, over the span of centuries, created caves, gargoyles, pillars, and ladyrinths. Sandstone is extremely plastic, a good subject for the artistry of the elements. In the memory of the white man, a few Piute Indians inhabitated Fire Valley, but the evidence unearthed indicates that it was the home of a much earlier tribe, with a culture resembling that of the Pueblo Indians.

Maisie, the stranded showgirl character whom Ann Sothern created so successfully in the original film of that name, returns again in "Gold Rush Maisie," third in the series, which comes to the Catlow Theatre Sunday for a 2 day engagement. Maisie is still stranded, still looking for a permanent place to alight, but she's breezier and funnier than ever despite the fact that her latest adventures place her adrift in the midst of the Arizona desert.

Edward G. Robinson heads the cast of the hilarious new comedy, "Brother Orchid," which is scheduled for one day only on Wednesday at the Catlow Theatre. Based on the Collier Magazine story by Richard Connell, it is a rib-tickling satire on the big shots of the underworld with Robinson cast as a racketeer who goes gunning for culture. Featured with Robinson are Ann Sothern, Humphrey Bogart, Ralph Bellamy, Donald Crisp and Allen Jenkins.

"A. T. A. H. T." At Des Plaines Theatre Sunday

"A. T. A. H. T." means "All This and Heaven Too," co-starring Bette Davis and Charles Boyer, with a distinguished supporting cast. Brought to the screen under the personal supervision of Rachel Field, its author, "All This and Heaven Too" is the faithful picturization of the biggest best-seller novel since "Gone With the Wind."

Brenda Joyce and John Payne (above), two of Hollywood's newest shining lights, share the romantic interest in Darryl F. Zanuck's Technicolor production of "Maryland", coming to the Palatine Theatre Sunday. Also featured in the superb cast of the 20th Century-Fox picture are such well-known favorites as Walter Brennan, Fay Bainter, Charlie Ruggles, Hattie McDaniel and Marjorie Weaver. The companion feature will be Blondie's latest comedy riot "Servant Trouble", showing four days, Sunday through Wednesday, with "Maryland."

AUTOISTS COLLIDE AT ALGONQUIN-PALATINE

Two motorists collided Saturday at the junction of Algonquin and Palatine rds but little damage was inicted.

Richard Krell of Chicago was driving west on rte 62 whn Angelo Chelini, Evanston, drove from a private drive in front of the former's vehicle. Kell attempted to avoid the accident but was unsuccessful. Neither driver suffered injury.

BENSENVILLE MOTORIST HAS NARROW ESCAPE

John Rehrs, Bensenville, had a narrow escape from serious injury Saturday morning when he tipped over on Forest Preserve drive, near Oak Park.

Mr. Rehrs was traveling west on Forest Preserve drive and attempted to pass another vehicle. He lost control of his auto, skidding into the ditch with the car landing on its side. Rehrs was not hurt.

DANIEL BOONE'S SPIRIT CARRIES PAST STOP SIGN; NO GOOD

The spirit of Daniel Boone carried on Friday afternoon as in the days of old but failed to overcome all obstacles as that same spirit did in the first days of this country.

Daniel Boone of Evanston allegedly passed the stop sign at the junction of Touhy and Wolf rds Friday afternoon but was stopped by another motorist, William Frankel of Chicago.

The Boone auto was overturned in the accident but none of the three passengers were hurt. Frankel suffered a slight head injury. Both cars were damaged considerably, necessitating towage.

ROCKFORD MAN OVERTURNS

Carl Johnson, Rockford, Ill., was cut off by an unknown motorist Thursday afternoon while traveling west on Lake st and nearing Wolf rd. Mr. Johnson lost control of his car and tipped over on its side. Luckily, neither the driver nor his car suffered damage. Bystanders righted the car and Johnson continued on his way.

DRIVER IS SUED FOR $45,000 DAMAGES

Esther Hamilton, Martha Mahony and Julia Daly have filed suits in Superior court against John F. Shelton for injuries in an automobile accident. They were passengers June 30 in a car on Touhy ave., at Mannheim road that was hit by Shelton's car. Esther asks $25,000 damages and the other two $10,000 each.

CONDEMN LAND IN GLENVIEW FOR WIDENING OF LAKE AVENUE

The County of Cook has filed condemnation proceedings in Circuit court against Nellie Hartman to secure land in Glenview for widening Lake ave., from Hibbard road to Ridge road.

WILLS FILED

ARLINGTON HEIGHTS

The late Mrs. Emma Pettersen, died intestate in Arlington Heights Sept. 13, leaving $3,000. Her heirs are her husband, Charles O. Petterson, son Warren and daughter Marion, all of Arlington Heights. The husband was appointed administrator.

BARRINGTON

Dorothy Draper, of Barrington, has been appointed administratrix of the $1,000 estate of her father, Frederick K. Higbee, who died intestate in Chicago May 29, 1938. His heirs also include his wife and another daughter, both living in Baltimore.

ONTARIOVILLE

The will of the late Lowe Hockstra who died in Chicago, Aug. 22, has been admitted to probate in Probate court, Frank Lyman, clerk. It disposes of a $6,000 estate in shares to his relatives. Among the heirs is Laura Bunker, of Ontarioville, a granddaughter, who is left one share.

Double featured with "A. T. A. H. T." opening Sunday at the Des Plaines theatre for a three-day run is, "My Love Came Back," a delightful romantic comedy co-starring the lovely Olivia DeHavilland and the handsome Jeffrey Lynn.

"Mystery Sea Raider" starring Carole Landis and Henry Wilcoxon, with "South of Pago Pago," featuring Victor McLaglen, Frances Farmer and Jon Hall are the two pictures currently showing at the Des Plaines theatre, winding up a three-day run Saturday nite. The new pre-release issue of Paramount News completes the current program.

"Romantic" Atmosphere At White Bear Inn

A favorite rendezvous for pleasure seekers these days is the romantic White Bear Inn, located one mile south of River road on Milwaukee ave. Dick & Lester's band provides special music every Wednesday, Friday and Saturday. Every Friday night is "amateur night" during which a variety of talent is displayed and many prizes awarded.

The fountain of youth and wishing well around which patrons dance and a romantic fire place are other features that add to the comfort and interest of all who attend.

Ignorance Is—

Woe to the business man of today! According to an eminent business lawyer who numbers among his clients the most wealthy, there are 100,000 regulations which a business man is presumed to know, and ignorance of which is apt to get him into trouble—or into big legal fees.

"Take it away, mister — it's the best yet!"

OUT in the vast Buick plants you'll find men who were building motor cars when many of us were looking forward to our first long pants.

So when these veterans talk about 1941 models, you're listening to Old Man Experience himself.

And straight from the shoulder these old-timers will tell you that the Buicks now coming off the assembly lines top anything produced since the first "one-lunger" chugged its way down the street.

They're handsomer carriages — bigger, roomier, steadier.

Their new FIREBALL* engines, micropoise-balanced to vibrationless ease, carry Buick's exclusive Dynaflash principle to new heights of brilliance while actually getting 10% to 15% more miles per gallon.

They ride easier, handle more nimbly, surround you with new travel-luxury — but this modelwise fellow means more than that when he says "the best yet" is waiting for you.

He means that we have never before built automobiles so good as these— never before have we so successfully contrived to give you maximum contentment with your automobile.

Heart and soul he *believes* in this new Buick — the best Buick yet.

So do we. And before very long, we think, so will you.

BUICK PRICES BEGIN AT $935

"Servant Trouble" Blondie's Funniest

Still boasting the typically American characteristics of "the family next door" whilh has already won them millions of devoted followers, Columbia's Bumsteads—Dagwood, Blondie, Baby Dumpling and Daisy —are back in the latest of their film series, "Blondie Has Servant Trouble," which plays Sunday, Monday, Tuesday, Wednesday at the Palatine Theatre.

Heralded from the beginning as the perfect embodiment of the laughable and loveable traits combined by Chic Young in his famous comic strip, Arthur Lake, Penny Singleton and Larry Simms renew their claims to this distinction. Of course, Daisy, as himself, is still putting on the dog as only he knows how.

The romance, beauty and traditions of the proud South, climaxed by the most spectacular Steeplechase in America, The Maryland Hunt Cup Race, are highlights of Darryl F. Zanuck's Technicolor production of "Maryland," new 20th Century-Fox picture which is cofeatured with the Bumstead film.

Together for the sixth time, Jeanette Mac Donald and Nelson Eddy add to their prestige as the screen's favorite romantic team in "New Moon," appearing Thursday, Friday and Saturday.

One of the largest feminine casts ever assigned to one picture took part in Columbia's "Girls of the Road," Thursday, Friday and Saturday at the Pal theatre, with Ann Dvorak, Helen Mack and Lola Lane heading the cast. In addition, more than 100 feminine atmosphere players are seen as "Girls of the Road," as vagrants, prisoners and in other difficult roles.

"One Million B C" Is Story Set In Prehistoric Surroundings

Fire Valley is a place that time forgot. That's the reason Hal Roach selected it as the spot for making much of his motion picture, "One Million B. C." current United Artists release at the Catlow Theatre Friday and Saturday.

The film, as the title suggests, has to do with early man and the dawn of civilization. Roach wanted authentic, prehistoric surroundings. He couldn't have found a more suitable place than Fire Valley. It begins a few miles out of Logandale, Nevada, and stretches some 20 miles. Of bright red sandstone, it looks like a bloody gash in the rockstrewn hills.

Fire Valley has few visitors. There isn't much reason for going into it, unless you're a fossil-hunter or a film producer. The wind is the Valley's most intimate companion and it has done strange things to the sandstone formation, achieving grotesque monuments of sculpture.

Erosion has, over the span of centuries, created caves, gargoyles, pillars, and ladyrinths. Sandstone is extremely plastic, a good subject for the artistry of the elements. In the memory of the white man, a few Piute Indians inhabitated Fire Valley, but the evidence unearthed indicates that it was the home of a much earlier tribe, with a culture resembling that of the Pueblo Indians.

Maisie, the stranded showgirl character whom Ann Sothern created so successfully in the original film of that name, returns again in "Gold Rush Maisie," third in the series, which comes to the Catlow Theatre Sunday for a 2 day engagement. Maisie is still stranded, still looking for a permanent place to alight, but she's breezier and funnier than ever despite the fact that her latest adventures place her adrift in the midst of the Arizona desert.

Edward G. Robinson heads the cast of the hilarious new comedy, "Brother Orchid," which is scheduled for one day only on Wednesday at the Catlow Theatre. Based on the Collier Magazine story by Richard Connell, it is a rib-tickling satire on the big shots of the underworld with Robinson cast as a racketeer who goes gunning for culture. Featured with Robinson are Ann Sothern, Humphrey Bogart, Ralph Bellamy, Donald Crisp and Allen Jenkins.

Brenda Joyce and John Payne (above), two of Hollywood's newest shining lights, share the romantic interest in Darryl F. Zanuck's Technicolor production of "Maryland", coming to the Palatine Theatre Sunday. Also featured in the superb cast of the 20th Century-Fox picture are such well-known favorites as Walter Brennan, Fay Bainter, Charlie Ruggles, Hattie McDaniel and Marjorie Weaver. The companion feature will be Blondie's latest comedy riot "Servant Trouble", showing four days, Sunday through Wednesday, with "Maryland."

"A. T. A. H. T." At Des Plaines Theatre Sunday

"A. T. A. H. T." means "All This and Heaven Too," co-starring Bette Davis and Charles Boyer, with a distinguished supporting cast. Brought to the screen under the personal supervision of Rachel Field, its author, "All This and Heaven Too" is the faithful picturization of the biggest best-seller novel since "Gone With the Wind."

Double featured with "A. T. A. H. T." opening Sunday at the Des Plaines theatre for a three-day run is, "My Love Came Back," a delightful romantic comedy co-starring the lovely Olivia DeHavilland and the handsome Jeffrey Lynn.

"Mystery Sea Raider" starring Carole Landis and Henry Wilcoxon, with "South of Pago Pago," featuring Victor McLaglen, Frances Farmer and Jon Hall are the two pictures currently showing at the Des Plaines theatre, winding up a three-day run Saturday nite. The new pre-release issue of Paramount News completes the current program.

"Romantic" Atmosphere At White Bear Inn

A favorite rendezvous for pleasure seekers these days is the romantic White Bear Inn, located one mile south of River road on Milwaukee ave. Dick & Lester's band provides special music every Wednesday, Friday and Saturday. Every Friday night is "amateur night" during which a variety of talent is displayed and many prizes awarded.

The fountain of youth and wishing well around which patrons dance and a romantic fire place are other features that add to the comfort and interest of all who attend.

Ignorance Is—

Woe to the business man of today! According to an eminent business lawyer who numbers among his clients the most wealthy, there are 100,000 regulations which a business man is presumed to know, and ignorance of which is apt to get him into trouble—or into big legal fees.

GONE FOR THE DAY

TOO BAD!

Perhaps, in the past, you planned some business trip with the greatest care — then wasted long hours calling on people who were "gone for the day."

From now on, why not telephone ahead to be sure your good prospects will be ready to receive you? You cover more ground, get more action, take less time.

Another thing: there's no rule, in most businesses, against starting and finishing the sale *by telephone!* There's no better way to keep out-of-town accounts active and orders coming in.

All this isn't exactly news to you — but still there may be chances you've missed. Time is money — and the telephone saves time!

Call ahead— keep ahead!

"Take it away, mister — it's the best yet!"

OUT in the vast Buick plants you'll find men who were building motor cars when many of us were looking forward to our first long pants.

So when these veterans talk about 1941 models, you're listening to Old Man Experience himself.

And straight from the shoulder these old-timers will tell you that the Buicks now coming off the assembly lines top anything produced since the first "one-lunger" chugged its way down the street.

They're handsomer carriages — bigger, roomier, steadier.

Their new FIREBALL* engines, micropoise-balanced to vibrationless ease, carry Buick's exclusive Dynaflash principle to new heights of brilliance while actually getting 10% to 15% more miles per gallon.

They ride easier, handle more nimbly, surround you with new travel-luxury — but this modelwise fellow means more than that when he says "the best yet" is waiting for you.

He means that we have never before built automobiles so good as these— never before have we so successfully contrived to give you maximum contentment with your automobile.

Heart and soul he *believes* in this new Buick — the best Buick yet.

So do we. And before very long, we think, so will you.

BUICK PRICES BEGIN AT $935

Cautious Beggar

Beggars may not be choosers, but they should at least be careful, believes Patrick Murray. "So much of it has germs on it."

Cautious Beggar

Beggars may not be choosers, but they should at least be careful, believes Patrick Murray. When Judge Edward Luczak of Chicago fined Murray on a begging charge, the jurist asked why Murray carried two pairs of rubber gloves. "A man can't be too careful about money these days," Murray said. "So much of it has germs on it."

Mac Says-

by GERALD A. MC ELROY

We saw two of the best half backs in the conference in action Saturday at Niles. Heiniger of Niles is the hardest running back in the conference and a really tough boy, who can take a lot of hard pounding and come right back for more. This lad had eight runs of eight yards or more with the longest a touchdown jaunt of 43.

Have Speedy Backfield

Rehberg of Crystal Lake is the best open field runner in the league. His record at Niles included runs of 10, 12, 13, 15 and 35 yards from scrimmage in addition to some beautiful returns of punts and kickoffs. Crystal Lake's backfield has the most speed of any in the league with several potential game breakers but still has not learned to hang onto the ball. Their record of 16 fumbles with 12 recovered by the opposition in the last two games is the only reason the Tigers are not tied with Lake Forest and Libertyville for the conference lead.

AFTER FIRST TOUCHDOWN

Arlington is the only Northeast team which has failed to score a touchdown in the first three games, Warren is the only team to tally but once, and Lake Forest is the only eleven that has been scored upon. The Lindenmeyer coached Scouts also led the league in scoring with 58 points. We think Arlington will get that first touchdown through the light Crystal Lake line on Saturday and we expect Niles to dent the Lake Forest goal line to break their shut out streak.

VOTE DOWN TWO PROPOSALS

At a recent meeting of the Northeast Conference two important propositions were voted down by the coaches and principals. One was the possibility of having some night football in the conference and the other was to change the schedule to provide for each team meeting each of the others on the gridiron every year. The reasons for prohibiting night football were the damp, foggy, and chilly nights which prevail near the lake during most of the autumn. Under the present set up each team plays six of the seven conference opponents each grid season. For the next two seasons Arlington and Niles will not meet in football under this arrangement.

PLAY NIGHT FOOTBALL

The most agitation for night football is out around Crystal Lake and Woodstock. The reason is the fine success that Harvard and Marengo are having with night crowds. McHenry recently installed lights and had a big turnout for the opening game. As we understand it the senior class secured the poles, the shop class made the reflectors and the rest of the equipment and the intallation cost but $300. A man who saw the first game tells us that it was a pretty fair lighting job. The usual cost of equipment considered satisfactory is about $1200.

NO PAYOFFS ON FIRST DOWNS

Coach R. H. Childers of Antioch remarked at a recent Northwest conference coaches meeting that he would not be afraid of anyone in the league if the game were based on first downs. He seems to have known what he was talking about as his team made 13 to Northbrook's 11 but lost the opening conference ball game 31-0.

WE PICK GRANT

It may look like we are really going out on a limb, but we're picking Grant to win the Northwest Conference football championship. Dan Werhan's boys have the stuff to do it this year and we think they have a good chance to upset Northbrook in their game Saturday at Fox Lake.

BEST GAME AT LAKE FOREST

week to give us a total of 10 wins, one tie, and one defeat in three weeks of picking them. This week our task is the toughest thus far. We think Libertyville will beat Woodstock without too much difficulty. Crystal Lake will have too much speed for Arlington but with Rehberg out with a sprained ankle will have a tough time of it. Leyden should nose out Warren but the latter has a good chance to cop their first victory. The best ball game of the week will find Niles at Lake Forest. The Trojans are getting better every game. Both teams have great backs in Lohman and McIntosh of the Scouts and Heiniger of Niles. Neither has reserve strength. An even game with Lake Forest getting the nod.

Palatine Beats Evanston, York In Cross-Country

Palatine Bests Evanston, York

Palatine made it two cross country victories in a row by out running York High of Elmhurst last Friday 44-17. Eight Pirates competed and all finished in the first twelve.

Cipri, Trepus, and Langhoff finished one, two, three in Friday's two mile race. Field and Anderson were fifth and sixth, Hooson was eighth, Timmerhaus was tenth, and Senne twelfth for the Palatine team.

Palatine made it three cross country victories in a row Wednesday when they won an easy 41-18 meet at Evanston. The Pirates had previously beaten York and Wheaton by lop sided scores. Wednesday it was Langhoff, a junior, who won first place for Palatine in the two mile grind with Anderson, a sophomore, taking second honors. Other Palatine boys placing were Cipri, fourth; Hooson, fifth; Trepus, sixth; Timmerhaus, ninth; and Field, tenth. Langhoff's winning time was 11:24 minutes.

Selected Shorts

Ray Hahnfeldt is out with a broken finger as the veteran Pirates opened early basketball workouts this week. Ray suffered the injury playing softball . . . Palatine has an afternoon practice game at Dundee November 7 . . . Wheaton still sets the pace in the Little Seven grid race, their latest victim being Dundee 20-0 . . . It's HOMECOMING at Libertyville Saturday and if you want to see a really gala high school affair just watch the Wildcats celebrate. Over at Crystal Lake they are also having homecoming Saturday with Arlington the opponents . . . Drop kicking is just about a lost art in high school. Santucci over at Northbrook is the only one in either local conference with skill in this line. He booted three conversions and a 25 yard field goal Saturday. . . . Cliff Phillips of Gurnee caught a touchdown pass in the end zone for Wisconsin's first score against Iowa Saturday but the Hawkeyes won the game 30-12 . . . Elmer Etling who led Crystal Lake to an undefeated cage title last year is enrolled as a freshman at Purdue. Coach Njaa lost all five of his regulars by graduation and his best sub moved to South Bend, Indiana, but he has a champ lightweight team available.

Chicago Auto Show To Present 'Non-Stop' America

New ideas in showmanship have been adopted to present in novel manner the motor creations of 1941 at the 41st Annual Chicago Automobile show to be held during the nine-day period of Oct. 26 to Nov. 3 in the International Amphitheatre, Halsted and 43rd streets.

This was revealed in the announcement of M. J. Lanahan, chairman of the executive committee, that "Non-Stop America" has been selected as the title for the spectacular production which will be presented each afternoon and evening in the central arena.

Also sharing the central arena, he added, will be the setting aside of a section for a military exhibit displaying some of the latest motorized equipment of the United States army, including scout cars, tanks, reconnaissance cars, anti-aircraft guns, anti-tank guns, machine guns, search lights and other modern military accoutrements.

Augmenting the cast of professionals will be twenty community and suburban "queeens," all of whom have been selected as a result of contests for the honor of representing their respective areas.

Northbrook Inspired By Homecoming With 31-0 Victory Over Antioch

Northbrook scored in every quarter Saturday as they celebrated Homecoming with a 31-0 victory over Antioch. Two blocked punts and three intercepted passes aided the Northbrook cause. Antioch had the edge in first downs 13-11 but seemed to lack the experience and weight to put on a sustained march. Santucci, H. Strauss, Klein, and Schnadt scored the touchdowns. H. Strauss converted once on an end run and Santucci drop kicked the other three extra points. Santucci also drop kicked a field goal in the final period from the 25 yard line. It was the opening conferenec game in the Northwest

Grant Loses 13-6 To St. Mary's

A 51 yard run in the final quarter set the stage for the winning touchdown as St. Marys defeated Grant of Fox Lake 13-6 in their annual game at Woodstock. Both teams scored in the second period on passes.

Late in the game Grant punted to the St. Marys 45 yard line and a Grant lineman thought he had downed the ball but let go of it and Bennett of St. Marys picked it up and ran to the 4 yard line before he was brought down. The winning score came on the next play.

Barrington (12) McHenry (0)

Barrington scored in the second and fourth periods to defeat McHenry Saturday. The Bronchos made eight first downs to the visitors' four and gained 147 yards from scrimmage to McHenry's 161. In spite of the difference in yardage Barrington had six scoring opportunities to one for Coach Reed's eleven. The Broncho touchdowns were both scored by Zimmerman.

'Butterfingers' Help Niles Beat Crystal Lake

Niles took advantage of Crystal Lake fumbles to score a decisive 20-0 victory in the Trojan's Homecoming game last Saturday. Both teams played good ball and displayed a fine running game which netted 11 first downs apiece. The Lakers' nine fumbles, six of which were recovered by Niles, was the deciding factor in an even ball game.

Heiniger, the Niles ace led his team with 140 yards from scrimmage while Rehberg, who retired in the final quarter with a sprained ankle, paced the Lakers with over 100 yards on end runs and reverses.

Niles scored in the first period on a sustained drive of 62 yards after recovering a Crystal Lake fumble and with the aid of penalties at critical points. Heiniger went over from the three yard line and Nitch kicked the extra point.

Two Fumbles Lose 63 Yards

Immediately afterward Crystal Lake ran the kick off back to the Niles 30 yard line and in two plays had first down on the 10. Here a fumble and two incompleted passes followed a five yard gain and Niles took the ball. Niles punted to the 50 and on the first play Rehberg fumbled after a 15 yard gain and Niles recovered. Niles punted again and Crystal Lake fumbled again on the first play from scrimmage with Niles recovering on the 27 yard stripe. Line bucks and an 18 yard pass from Heiniger to Dahm put the ball on the five yard line and Hagerty scored for Niles on a quarter back sneak through center. Nitch converted.

After a 50 yard return of the kick off by Hanson, Crystal Lake put on a drive which was halted. Just as the half ended Rehberg ran around end for 35 yards and was away but stumbled as the safety man barely tripped him with one hand to save a score.

Drive 85 Yards To Score

The third period started as a repetition of the first with the Lakers fumbling away their chances to give Niles a chance to move down to the eight yard line where Niles fumbled and Crystal Lake recovered. On the first play however the Lakers fumbled and Niles recovered the ball again but failed to score and missed a place kick. Starting on the 20 yard line Crystal Lake, sparked by Uceny and Rehberg moved all the way to the Niles 15 before their drive faded. Niles took the ball on their own 15 and in nine plays had a touchdown as Heiniger ran the last 43 yards on a brilliant off tackle play. Both teams rushed reserves into the game for the last three minutes.

Lakers Excel In Yardage

Crystal Lake actually piled more yardage than the winners and counting run back of punts and kickoffs had a big edge but the payoff is in touchdowns. Crystal Lake's backs are fast and their blocking especially good in the open field. Niles had greater power and a superior line led by Breitenbach. Faust and Fanning were able assistants to Heineger, the Trojans' triple threat left halfback.

Niles Freshmen tied Crystal Lake's Junior Varsity 6-6 in the preliminary.

Cardinals Bow To Lake Forest For First Time In Football, 20-0

Arlington Loses Second Game In Three Starts

Lake Forest broke its record of never having beaten Arlington at football last Saturday. In so doing they rolled up a decisive 20-0 score. They gave a bitter lesson to the Cardinals in the fundamentals of football, completely outplaying Arlington at every phase of the game.

From shortly after the opening kickoff, when they opened their offensive drive they dominated the playing. Constantly ripping thru the bigger Arlington line the "Foresters" gained almost at will. The entire Lake Forest line outplayed those of Arlington. In their backfield Lohman was easily the star, receiving excellent help from Cook, Bacon and Shiel.

Lake Forest scored in the second quarter. Lohman and Shiel alternated carrying the ball from midfield to near the goal. A short pass, Lohman to Gyllenberg, placed the ball on the 3 yard line. A try by Lohman and a second by McIntosh put the ball over for the first 6 points. The try for point was wide.

The second Lake Forest touchdown came in the third quarter. The line failed to block and a punt attempt on the Arlington 10 yard line was blocked and recovered by the visitors behind the goal for an easy 6 points. The try for point split the posts to make the score 13-0.

Arlington fell even more completely apart permitting Lake Forest to merely walk down the field and score in the 4th quarter. This try for point was also good, winding up the scoring at 20-0 Lake Forest.

Libertyville Outplayed By Warren But Wildcats Win Just The Same

Outplayed for three quarters by an inspired Warren team, the Libertyville Wildcats finally got their passing attack working in the final six minutes of the game to eke out a 13-6 victory in a game at Gurnee last Friday.

Warren outfought the heavy Wildcat line and led 6-0 for three periods as a result of an 85 yard touchdown run by right tackle Jack Nadelhoffer on an intercepted pass. Twice Libertyville came close to scoring. Once they marched from their own 23 yard line to the Warren two yard marker but lost the ball and on another occasion Morris dropped a pass in the end zone.

The first Libertyville score came with six minutes to play as a long pass from Gossell to Whammond put the ball on the five yard line and the Wildcat fullback charged over on the second play. Warren kicked off and in three plays Libertyville traveled 60 yards for the winning touchdown. Two long passes from Gossell to Strand and Whammond gained 59 yards and Whammond plunged over from the one foot line.

Libertyville did not appear to be the same aggregation which so soundly trounced Arlington the week before. Indifferent line play and sloppy ball handling characterized the work of the Cats. On the other hand the whole Warren team played a whale of a game and deserved a better fate than the final score.

Leyden (14) Woodstock (13)

Woodstock put up a great fight and outplayed Leyden the greater share of the game but went down to defeat 14-13 as the Eagles scored a safety in the final period. Dibler scored both Woodstock touchdowns while Kerth and Pruter put over the scores for Leyden.

Two fumbles led to Woodstock's downfall. Dibler fumbled a bad pass from center in the end zone and was tackled for a Leyden safety. After Woodstock had struck back late in the final period for a touchdown the boy who was to hold the ball for the conversion kick fumbled it and the Blue Streaks failed to get the point which would have tied the score.

'Frisco Quake

The San Francisco earthquake occurred on April 18, 1906, the main shock being felt at about 5:13 in the morning. Fire broke out almost immediately. The water service was impaired and for three days the fire raged in the heart of the business section. The property loss was estimated at over $200,000,000. About a third of the city was laid in ruins. About 250,000 people were rendered homeless and the loss of life was placed at 452.

Howe Licks Washington

On June 10, 1776, General Howe, driven out of Boston by Washington the previous year, left his base at Halifax and sailed for New York to launch a new British campaign. Washington, anticipating the move, had fortified New York, but was unable to hold it, with the British dominating the waters around Manhattan island. By September Howe had occupied the city.

Mac Says-

by GERALD A. MC ELROY

We saw two of the best half backs in the conference in action Saturday at Niles. Heiniger of Niles is the hardest running back in the conference and a really tough boy, who can take a lot of hard pounding and come right back for more. This lad had eight runs of eight yards or more with the longest a touchdown jaunt of 43.

Have Speedy Backfield

Rehberg of Crystal Lake is the best open field runner in the league. His record at Niles included runs of 10, 12, 13, 15 and 35 yards from scrimmage in addition to some beautiful returns of punts and kickoffs. Crystal Lake's backfield has the most speed of any in the league with several potential game breakers but still has not learned to hang onto the ball. Their record of 16 fumbles with 12 recovered by the opposition in the last two games is the only reason the Tigers are not tied with Lake Forest and Libertyville for the conference lead.

AFTER FIRST TOUCHDOWN

Arlington is the only Northeast team which has failed to score a touchdown in the first three games, Warren is the only team to tally but once, and Lake Forest is the only eleven that has been scored upon. The Lindenmeyer coached Scouts also led the league in scoring with 58 points. We think Arlington will get that first touchdown through the light Crystal Lake line on Saturday and we expect Niles to dent the Lake Forest goal line to break their shut out streak.

VOTE DOWN TWO PROPOSALS

At a recent meeting of the Northeast Conference two important propositions were voted down by the coaches and principals. One was the possibility of having some night football in the conference and the other was to change the schedule to provide for each team meeting each of the others on the gridiron every year. The reasons for prohibiting night football were the damp, foggy, and chilly nights which prevail near the lake during most of the autumn. Under the present set up each team plays six of the seven conference opponents each grid season. For the next two seasons Arlington and Niles will not meet in football under this arrangement.

PLAY NIGHT FOOTBALL

The most agitation for night football is out around Crystal Lake and Woodstock. The reason is the fine success that Harvard and Marengo are having with night crowds. McHenry recently installed lights and had a big turnout for the opening game. As we understand it the senior class secured the poles, the shop class made the reflectors and the rest of the equipment and the intallation cost but $300. A man who saw the first game tells us that it was a pretty fair lighting job. The usual cost of equipment considered satisfactory is about $1200.

NO PAYOFFS ON FIRST DOWNS

Coach R. H. Childers of Antioch remarked at a recent Northwest conference coaches meeting that he would not be afraid of anyone in the league if the game were based on first downs. He seems to have known what he was talking about as his team made 13 to Northbrook's 11 but lost the opening conference ball game 31-0.

WE PICK GRANT

It may look like we are really going out on a limb, but we're picking Grant to win the Northwest Conference football championship. Dan Werhan's boys have the stuff to do it this year and we think they have a good chance to upset Northbrook in their game Saturday at Fox Lake.

BEST GAME AT LAKE FOREST

week to give us a total of 10 wins, one tie, and one defeat in three weeks of picking them. This week our task is the toughest thus far. We think Libertyville will beat Woodstock without too much difficulty. Crystal Lake will have too much speed for Arlington but with Rehberg out with a sprained ankle will have a tough time of it. Leyden should nose out Warren but the latter has a good chance to con their first victory. The best ball game of the week will find Niles at Lake Forest. The Trojans are getting better every game. Both teams have great backs in Lohman and McIntosh of the Scouts and Heiniger of Niles. Neither has reserve strength. An even game with Lake Forest getting the nod.

Selected Shorts

Ray Hahnfeldt is out with a broken finger as the veteran Pirates opened early basketball workouts this week. Ray suffered the injury playing softball . . . Palatine has an afternoon practice game at Dundee November 7 . . . Wheaton still sets the pace in the Little Seven grid race, their latest victim being Dundee 20-0 . . . It's HOMECOMING at Libertyville Saturday and if you want to see a really gala high school affair just watch the Wildcats celebrate. Over at Crystal Lake they are also having homecoming Saturday with Arlington the opponents . . . Drop kicking is just about a lost art in high school. Santucci over at Northbrook is the only one in either local conference with skill in this line. He booted three conversions and a 25 yard field goal Saturday. . . . Cliff Phillips of Gurnee caught a touchdown pass in the end zone for Wisconsin's first score against Iowa Saturday but the Hawkeyes won the game 30-12 . . . Elmer Etling who led Crystal Lake to an undefeated cage title last year is enrolled as a freshman at Purdue. Coach Njaa lost all five of his regulars by graduation and his best sub moved to South Bend, Indiana, but he has a champ lightweight team available.

Palatine Beats Evanston, York In Cross-Country

Palatine Bests Evanston, York

Palatine made it two cross country victories in a row by out running York High of Elmhurst last Friday 44-17. Eight Pirates competed and all finished in the first twelve.

Cipri, Trepus, and Langhoff finished one, two, three in Friday's two mile race. Field and Anderson were fifth and sixth, Hooson was eighth, Timmerhaus was tenth, and Senne twelfth for the Palatine team.

Palatine made it three cross country victories in a row Wednesday when they won an easy 41-18 meet at Evanston. The Pirates had previously beaten York and Wheaton by lop sided scores. Wednesday it was Langhoff, a junior, who won first place for Palatine in the two mile grind with Anderson, a sophomore, taking second honors. Other Palatine boys placing were Cipri, fourth; Hooson, fifth; Trepus, sixth; Timmerhaus, ninth; and Field, tenth. Langhoff's winning time was 11:24 minutes.

Chicago Auto Show To Present 'Non-Stop' America

New ideas in showmanship have been adopted to present in novel manner the motor creations of 1941 at the 41st Annual Chicago Automobile show to be held during the nine-day period of Oct. 26 to Nov. 3 in the International Amphitheatre, Halsted and 43rd streets.

This was revealed in the announcement of M. J. Lanahan, chairman of the executive committee, that "Non-Stop America" has been selected as the title for the spectacular production which will be presented each afternoon and evening in the central arena.

Also sharing the central arena, he added, will be the setting aside of a section for a military exhibit displaying some of the latest motorized equipment of the United States army, including scout cars, tanks, reconnaissance cars, anti-aircraft guns, anti-tank guns, machine guns, search lights and other modern military accoutrements.

Augmenting the cast of professionals will be twenty community and suburban "queeens," all of whom have been selected as a result of contests for the honor of representing their respective areas.

Northbrook Inspired By Homecoming With 31-0 Victory Over Antioch

Northbrook scored in every quarter Saturday as they celebrated Homecoming with a 31-0 victory over Antioch. Two blocked punts and three intercepted passes aided the Northbrook cause. Antioch had the edge in first downs 13-11 but seemed to lack the experience and weight to put on a sustained march. Santucci, H. Strauss, Klein, and Schnadt scored the touchdowns. H. Strauss converted once on an end run and Santucci drop kicked the other three extra points. Santucci also drop kicked a field goal in the final period from the 25 yard line. It was the opening conferenec game in the Northwest

Grant Loses 13-6 To St. Mary's

A 51 yard run in the final quarter set the stage for the winning touchdown as St. Marys defeated Grant of Fox Lake 13-6 in their annual game at Woodstock. Both teams scored in the second period on passes.

Late in the game Grant punted to the St. Marys 45 yard line and a Grant lineman thought he had downed the ball but let go of it and Bennett of St. Marys picked it up and ran to the 4 yard line before he was brought down. The winning score came on the next play.

Barrington (12) McHenry (0)

Barrington scored in the second and fourth periods to defeat McHenry Saturday. The Bronchos made eight first downs to the visitors' four and gained 147 yards from scrimmage to McHenry's 161. In spite of the difference in yardage Barrington had six scoring opportunities to one for Coach Reed's eleven. The Broncho touchdowns were both scored by Zimmerman.

'Butterfingers' Help Niles Beat Crystal Lake

Niles took advantage of Crystal Lake fumbles to score a decisive 20-0 victory in the Trojan's Homecoming game last Saturday. Both teams played good ball and displayed a fine running game which netted 11 first downs apiece. The Lakers' nine fumbles, six of which were recovered by Niles, was the deciding factor in an even ball game.

Heiniger, the Niles ace led his team with 140 yards from scrimmage while Rehberg, who retired in the final quarter with a sprained ankle, paced the Lakers with over 100 yards on end runs and reverses.

Niles scored in the first period on a sustained drive of 62 yards after recovering a Crystal Lake fumble and with the aid of penalties at critical points. Heiniger went over from the three yard line and Nitch kicked the extra point.

Two Fumbles Lose 63 Yards

Immediately afterward Crystal Lake ran the kick off back to the Niles 30 yard line and in two plays had first down on the 10. Here a fumble and two incompleted passes followed a five yard gain and Niles took the ball. Niles punted to the 50 and on the first play Rehberg fumbled after a 15 yard gain and Niles recovered. Niles punted again and Crystal Lake fumbled again on the first play from scrimmage with Niles recovering on the 27 yard stripe. Line bucks and an 18 yard pass from Heiniger to Dahm put the ball on the five yard line and Hagerty scored for Niles on a quarter back sneak through center. Nitch converted.

After a 50 yard return of the kick off by Hanson, Crystal Lake put on a drive which was halted. Just as the half ended Rehberg ran around end for 35 yards and was away but stumbled as the safety man barely tripped him with one hand to save a score.

Drive 85 Yards To Score

The third period started as a repetition of the first with the Lakers fumbling away their chances to give Niles a chance to move down to the eight yard line where Niles fumbled and Crystal Lake recovered. On the first play however the Lakers fumbled and Niles recovered the ball again but failed to score and missed a place kick. Starting on the 20 yard line Crystal Lake, sparked by Uceny and Rehberg moved all the way to the Niles 15 before their drive faded. Niles took the ball on their own 15 and in nine plays had a touchdown as Heiniger ran the last 43 yards on a brilliant off tackle play. Both teams rushed reserves into the game for the last three minutes.

Lakers Excel In Yardage

Crystal Lake actually piled more yardage than the winners and counting run back of punts and kickoffs had a big edge but the payoff is in touchdowns. Crystal Lake's backs are fast and their blocking especially good in the open field. Niles had greater power and a superior line led by Breitenbach. Faust and Fanning were able assistants to Heineger, the Trojans' triple threat left halfback.

Niles Freshmen tied Crystal Lake's Junior Varsity 6-6 in the preliminary.

Cardinals Bow To Lake Forest For First Time In Football, 20-0

Arlington Loses Second Game In Three Starts

Lake Forest broke its record of never having beaten Arlington at football last Saturday. In so doing they rolled up a decisive 20-0 score. They gave a bitter lesson to the Cardinals in the fundamentals of football, completely outplaying Arlington at every phase of the game.

From shortly after the opening kickoff, when they opened their offensive drive they dominated the playing. Constantly ripping thru the bigger Arlington line the "Foresters" gained almost at will. The entire Lake Forest line outplayed those of Arlington. In their backfield Lohman was easily the star, receiving excellent help from Cook, Bacon and Shiel.

Lake Forest scored in the second quarter. Lohman and Shiel alternated carrying the ball from midfield to near the goal. A short pass, Lohman to Gyllenberg, placed the ball on the 3 yard line. A try by Lohman and a second by McIntosh put the ball over for the first 6 points. The try for point was wide.

The second Lake Forest touchdown came in the third quarter. The line failed to block and a punt attempt on the Arlington 10 yard line was blocked and recovered by the visitors behind the goal for an easy 6 points. The try for point split the posts to make the score 13-0.

Arlington fell even more completely apart permitting Lake Forest to merely walk down the field and score in the 4th quarter. This try for point was also good, winding up the scoring at 20-0 Lake Forest.

Libertyville Outplayed By Warren But Wildcats Win Just The Same

Outplayed for three quarters by an inspired Warren team, the Libertyville Wildcats finally got their passing attack working in the final six minutes of the game to eke out a 13-6 victory in a game at Gurnee last Friday.

Warren outfought the heavy Wildcat line and led 6-0 for three periods as a result of an 85 yard touchdown run by right tackle Jack Nadelhoffer on an intercepted pass. Twice Libertyville came close to scoring. Once they marched from their own 23 yard line to the Warren two yard marker but lost the ball and on another occasion Morris dropped a pass in the end zone.

The first Libertyville score came with six minutes to play as a long pass from Gossell to Whammond put the ball on the five yard line and the Wildcat fullback charged over on the second play. Warren kicked off and in three plays Libertyville traveled 60 yards for the winning touchdown. Two long passes from Gossell to Strand and Whammond gained 59 yards and Whammond plunged over from the one foot line.

Libertyville did not appear to be the same aggregation which so soundly trounced Arlington the week before. Indifferent line play and sloppy ball handling characterized the work of the Cats. On the other hand the whole Warren team played a whale of a game and deserved a better fate than the final score.

Leyden (14) Woodstock (13)

Woodstock put up a great fight and outplayed Leyden the greater share of the game but went down to defeat 14-13 as the Eagles scored a safety in the final period. Dibler scored both Woodstock touchdowns while Kerth and Pruter put over the scores for Leyden.

Two fumbles led to Woodstock's downfall. Dibler fumbled a bad pass from center in the end zone and was tackled for a Leyden safety. After Woodstock had struck back late in the final period for a touchdown the boy who was to hold the ball for the conversion kick fumbled it and the Blue Streaks failed to get the point which would have tied the score.

Jack Torrence, champion shotputter, is toughest on the scales, with a tremendous 285 pounds, and Bobby Swisher the most lenient, with 165 . . . Joe Stydahar's altitude of six feet four inches tops that of his team mates, bettering Messrs. Bausch, Plasman and Torrence by one inch. . . Torrence has 'em all beaten on the size of the shoe, however—he wears a modest 15E, and they have to be made per order . . . which is tough on Jack, because the club furnishes three uniforms per athlete per season, but no boots go with 'em.

SHUFFLIN' the CARDS: Gaynell Tinsley's hobby is hunting . . . has a fine collections of guns and rifles and hunting dogs . . . His nickname is Gus . . . Charles Ki Aldrich is buying a ranch near his home at Temple, Texas . . . . Herman Schneideman is a relief investigator in Quincy, Illinois . . . Tarzan White is a professional wrestler . . . . The favorite dish when the boys are traveling is steak.

'Frisco Quake

The San Francisco earthquake occurred on April 18, 1906, the main shock being felt at about 5:13 in the morning. Fire broke out almost immediately. The water service was impaired and for three days the fire raged in the heart of the business section. The property loss was estimated at over $200,000,000. About a third of the city was laid in ruins. About 250,000 people were rendered homeless and the loss of life was placed at 452.

Howe Licks Washington

On June 10, 1776, General Howe, driven out of Boston by Washington the previous year, left his base at Halifax and sailed for New York to launch a new British campaign. Washington, anticipating the move, had fortified New York, but was unable to hold it, with the British dominating the waters around Manhattan island. By September Howe had occupied the city.

October 17, 1940

NOTICE is hereby given that the said Collector of Cook County will apply to the County Court of Cook County on the Fourth day of November, A. D. 1940, for judgment against lands and lots hereinafter described as being delinquent upon which taxes remain due and unpaid, or personal property taxes charged thereon as noted in this advertisement, remain due and unpaid, for said taxes, interest and costs, and for an order to sell said lands and lots for the satisfaction thereof according to law (excepting from said judgment and order of sale the cases which are included in this advertisement for sale only under former unexecuted judgments and orders of sale as may be noted in this advertisement.) Notice is also given that payments under protest are noted in this return and that an application will be made to the court at the same time for judgment fixing the correct amount of such taxes paid under protest and for judgments and order of sale on such payments in accordance with law.

Notice is further herein and hereby given that on the Second Monday, next succeeding the Fourth Day of November, A. D. 1940, to-wit, the Eighteenth Day of November, A. D. 1940, at the hour of 8 o'clock A. M. all said lands and lots hereinbefore described for sale of which an order shall be made, or has heretofore been made and not executed as noted, will be exposed to public sale at the County Building of Cook County, where the County Court is held in said County for the amount of taxes, interest and costs due thereon respectively.

The following is the list of delinquent lands and lots in Hanover Township upon which the taxes remain due and unpaid, the name of the owners, where known, the total amount due thereon (excluding delinquent special assessments separately advertised) and the year or years for which the same is due also a list of the lands and lots upon which taxes have been paid under protest, the amount so paid thereon and the names of the persons paying the same, in manner and form as required by law. (The total amount due in this application on each tract or parcel of land or lot is the sum of the amounts appearing due in this advertisement.)

EXPLANATORY NOTE — In this list in all places where no other notation is made the figures in the column headed "$" (meaning dollars) and the "cts" (meaning cents) represent the taxes due and unpaid for the year A. D. 1939. Payments under protest are indicated by (★) in front of amount paid. Where the letter "F" is placed to the left of the figures in this column it is intended for an abbreviation of the word "Forfeiture," and denotes that the amounts set down to the right of the same are the amounts due and unpaid on said land and lots for which said lands and lots have been previously forfeited to the state. When back taxes are extended they are indicated by B. T.

Where no description of property (either land, lot, block or portion thereof appears in said list to the left of and opposite the figures in said column headed "$" (meaning dollars) and "cts" (meaning cents) said figures relate to the land, lot, block or portion thereof last above described, appearing to the left of and opposite "$" and "cts" column. "Name" in the words "name" and"desc" where used in the list means name of the owner of said delinquent lands or lots also means name of ersons paying ttaxes under protest and "desc" in said words means descriptions of said lands or lots.

COOK COUNTY
DELINQUENT
TAX LIST
Including Taxes Paid Under Protest

OFFICE OF COUNTY TREASURER OF COOK COUNTY AND EX-OFFICIO COUNTY COLLECTOR OF COOK COUNTY, ILLINOIS

Advertisement and Notice of Collector of Cook County of Application for Sale of Delinquent Lands and Lots for General Taxes for the year 1939 and Prior Years, and Notice of Sale Thereof and application for Judgment fixing the correct amount of taxes paid under protest, and for order for sale on such payments, as provided by law.

SCHAUMBURG TOWNSHIP
October 17, 1940

NOTICE is hereby given that the said Collector of Cook County will apply to the County Court of Cook County on the Fourth day of November, A. D. 1940, for judgment against lands and lots hereinafter described as being delinquent upon which taxes remain due and unpaid, or personal property taxes charged thereon as noted in this advertisement, remain due and unpaid, for said taxes, interest and costs, and for an order to sell said lands and lots for the satisfaction thereof according to law (excepting from said judgment and order of sale the cases which are included in this advertisement for sale only under former unexecuted judgments and orders of sale as may be noted in this advertisement.) Notice is also given that payments under protest are noted in this return and that an application will be made to the court at the same time for judgment fixing the correct amount of such taxes paid under protest and for judgments and order of sale on such payments in accordance with law.

Notice is further herein and hereby given that on the Second Monday, next succeeding the Fourth Day of November, A. D. 1940, to-wit, the Eighteenth Day of November, A. D. 1940, at the hour of 8 o'clock A. M. all said lands and lots hereinbefore described for sale of which an order shall be made, or has heretofore been made and not executed as noted, will be exposed to public sale at the County Building of Cook County, where the County Court is held in said County for the amount of taxes, interest and costs due thereon respectively.

The following is the list of delinquent lands and lots in Schaumburg Township upon which the taxes remain due and unpaid, the name of the owners, where known, the total amount due thereon (excluding delinquent special assessments separately advertised) and the year or years for which the same is due also a list of the lands and lots upon which taxes have been paid under protest, the amount so paid thereon and the names of the persons paying the same, in manner and form as required by law. (The total amount due in this application on each tract or parcel of land or lot is the sum of the amounts appearing due in this advertisement.)

EXPLANATORY NOTE — In this list in all places where no other notation is made the figures in the column headed "$" (meaning dollars) and the "cts" (meaning cents) represent the taxes due and unpaid for the year A. D. 1939. Payments under protest are indicated by (★) in front of amount paid. Where the letter "F" is placed to the left of the figures in this column it is intended for an abbreviation of the word "Forfeiture," and denotes that the amounts set down to the right of the same are the amounts due and unpaid on said land and lots for which said lands and lots have been previously forfeited to the state. When back taxes are extended they are indicated by B. T.

Where no description of property (either land, lot, block or portion thereof appears in said list to the left of and opposite the figures in said column headed "$" (meaning dollars) and "cts" (meaning cents) said figures relate to the land, lot, block or portion thereof last above described, appearing to the left of and opposite "$" and "cts" column. "Name" in the words "name" and"desc" where used in the list means name of the owner of said delinquent lands or lots also means name of ersons paying ttaxes under protest and "desc" in said words means descriptions of said lands or lots.

DuPage Jury Awards $14,900 Under 'Dram' Act

Motion for a new trial in the $55,000 dram shop damage suit tried last week before Judge Win G. Knoch in the Du Page county Circuit court, will be argued on October 31, the four defendants having been assessed a total of $14,900. The awards were contained in a sealed verdict opened in court Monday morning.

The jury debated several hours on the form of the verdict to be returned, 108 possible ones having been submitted to them.

Plaintiffs were: Jack Mohr, Jeanne Suppe, Richard and James Kluckholm. Defendants were: Albert Sako, Karl P. Adams, C. A. Simmons and Mrs. Ctherine Stupay.

The suit was the result of an accident two miles east of Naperville, May 6, 1939, when cars driven by Sako and Mohr came into collision. It is alleged that Sako was intoxicated, he having been supplied with his stimulants at the Adams tavern in Downers Grove prior to the crash.

Bankers Hold Fall Meeting At Crystal Lake

With only a few exceptions, practically every bank in Group Three of the Illinois Bankers' Association was represented at the annual fall meeting which was held at the Crystal Lake Country Club, Crystal Lake, Monday. These bankers came from the counties which comprise the group as follows: Northern Cook, Boone, De Kalb, Du Page, Kane, Lake and McHenry.

After an afternoon of golf the afternoon was spent in a "brass tacks" discussion of banking in which representatives of many of the banks in the seven counties took part. The discussion turned out to be a very complete resume of banking methods and practices as developed by the banks.

The evening meeting followed a dinner attended by over 250 bankers and their employees. Charles R. Reardon, president of the Illinois Bankers' Association, urged the bankers in the words of Winston Churchill to "close ranks and carry on."

Discussing the importance of organized banking activities, he also warned his hearers that the nationalized banking as is proposed by some people, is another threat to democracy.

Mt. Prospect State Bank and Arlington Heights National banks were well represented by the presence of many of their officers and employees.

Raymond Moore, principal of Lake Forest high school, gave an after-dinner pithy address that was much enjoyed by the bankers to whom Moore aimed many barbs.

Five Register From One Family

Five members of the Wm. Duenn family, Arlington Heights, registered Wednesday under the provisions of the draft act. There are probably few families in this part of Cook county with five sons between the ages of 21 and 36.

The youngest, Albert, 22 years old and William, Jr., are unmarried. Robert, 24, Walter, 30, and Edward, 34, are married. All of them reside in Arlington Heights. They have two sisters, Ruth and Mable, the latter being married and resides in Amburg, Wis. There are twelve grandchildren of Mr. and Mrs. William Duenn, Sr. Mr. Duenn was over the draft age at the time of the World war.

Milburn Bros. Gets Bridge Contract For Kirchhoff Road

Cook county board awarded the contract last week for the building of a bridge over Salt creek on Kirchhoff road to Milburn Bros., Mt. Prospect. It is understood the cost of the bridge is in the neighborhood of $35,000.

Wood Dale Organizing For Red Cross Work

Preparations are now afoot in Wood Dale to bring the citizens of this community into active cooperation with Red Cross drives soon to begin. Mrs. Matt Beuman is acting as chairman of the organization, as she is a trained nurse, has seen service with the British Red Cross, and is deeply interested in the movement. Volunteer workers are being enlisted. Those interested should call Bensenville 65-W-2. It is desired that the local unit be ready to participate inthe big roll call drive that

Rural Fire League Annual Dance Oct. 25

The Bensenville Rural Fire Protection league will hold its annual dance Friday, October 25, at Hack's ballroom, 155 N. York road. The officers of the league, John Z. Pezia, president, Fred S. Johnson, vice-president, Wm. C. Boettger, secretary, and Wm. J. Landmeier, treasurer, announce that all the business of the rural league is in fine shape, and that the dance will be a grand windup after a successful summer and fall of various actvities.

The details for the dance have been placed in the hands of Messrs. Fred Sturm, chairman, Ed Sturm, and Fred Stender. This committee of three will make all arrangements for a really big affair. Mr. Sturm appointed the following men on different committees: Messrs. Harry S. Able, Wm. Heinrich, Mack Besser, and Erwin Frohlich, door committee; Messrs. Everett Pine, Charles Gaitsch, E. R. Whitney, Arne Hansen, and Fred Mueller, checkroom committee; Messrs. William J. Landmeier and Chief George Boldebuck, floor committee. Tickets may be obtained from the above men; also from Messrs. Ernst Reher, Art Stuber, Fred Martin, Herman Dohe, Elbert Paul Luessenhop, O. A. Gudmundsen, E. A. Schoppe, John Reher, Ernst Thollander, Christ E. Bauer, and Emil Schoppe.

The board of directors, membership committee, and rural fire crew are doing their utmost to help the dance committee prepare for the annual fall affair. William J. Landmeier has obtained Heinie's seven piece orchestra, one of the finest groups of players in this part of the state. Heinie's tunes are always up-to-date mixed in with old time numbers. His music never fails to please everyone who enjoys a good all-around dance.

The dance committee has also made arrangements for many valuable door prizes. The doors will be opened at 8:30 p. m.

Rural Growth Hits DuPage County Schools

School districts in growing subdivisions in Du Page county are faced with housing problems. Among those who are contemplating the erection of an addition is the Butler school south of Elmhurst, between Butterfield and Roosevelt roads.

A new school house was built in the subdivision this year. There are now 38 pupils in the one-room building. The usual maximum number of pupils in any one room is 40, according to Lewis V. Morgan, superintendent of county schools.

The school district is making plans to erect another unit to take care of the increase in the number of pupils that is expected next year.

Keeneyvile school, at the junction of the Gary road with U. S. highway No. 20 (Lake street) completed a new building this year to provide for its increasing number of pupils.

If the trend westward is continued, more country school districts believe that they will be forced to build bigger and better school houses.

Lions To Hold Annual Masquerade Hallowe'en

The Bensenville Lions are preparing for their big annual masquerade and apared taoishrdluini querde and parade Hallowe'en night which will open with a big bonfire at Lions park at 6:15. All children up to the ages of 14 are urged to take part in this novel event which will feature valuable awards and many goodies.

Children should begin planning costumes now in order to make this Halowe'en the funniest of all. Old cartons and boxes are also needed to add fuel to the blaze designed to keep the spooks at a safe distance.

Village Bake Shop Has Grand Opening Saturday

Two big grand opening specials as well as free souvenirs for all are offered tomorrow, Saturday, in Bensenville as the newly remodeled Village Bake Shop makes its bow to the community. Henry Jonas, the proprietor, has prepared a store full of bakery goods, cookies, pies, cakes, breads, and pastries of all kinds in keeping with the smart new appearance of the shop. All customers will thrill when they visit the store and see this setting for the first time.

Busse Wages Lone Battle to Cut Road Cost

County Commissioner Wm. Busse waged a lone battle in the county board last week to halt the approval of a contract for the use of asphalt for resurfacing Pulaski road in place of concrete. The additional cost to the county, stated Mr. Busse, was $168,000. He called on President Smith to veto the contracts, but to no avail. The only board member to vote with Mr. Busse was Commissioner Smith.

The charge is made that an attempt is being made to revive the asphalt ring which passed out of existence after the death of Michael Carrozzo, czar of the street worker's union. Major Quinlan recommended the use of asphalt in place of concrete giving as his reason the frequent opening the street because of utilities underneath. The state highway commission is said to have requested that Cook County award some asphalt work.

Chicago Tribune in an editorial Oct. 9 said, "Thanks to the efforts of County Commissioner Wm. Busse, the award of a contract for paving section of Pulaski road was delayed . . . there is ground here for suspecting a political paving scandal."

Miss Helen Bollmann Becomes The Bride Of Irwin Mueller, Tuesday

Miss Helen Bollmann, daughter of Mr. and Mrs. Louis Bollmann of Bensenville and Irwin Mueller, son of Mr. and Mrs. Wm. Mueller of Mt. Prospect, motored to Clinton, Iowa, Tuesday, October 15, where they were united in marriage.

The bride's attendant was Mrs. Henry Mollmann and Mr. Henry Bollman served as best man. The ceremony took place in the Lutheran church at Clinton with Rev. Krueger officiating.

It's 'Soft Soap' For 'Itasca Kids' Hallowe'en

Boys and girls of Itasca are busy sharpening "soap" pencils getting in practice for Itasca's annual Hallowe'en soap drawing contest. It is expected some 60 or 70 grade school "Art" enthusiasts will spend the next two weeks planning pictures for this great event.

Already letters have been arriving from interested towns and cities asking for information and rules for the contest so Mrs. Dan Gould, chairman for Hallowe'en activities keeps her pencil ready to answer these inquiries.

Rules and registration details have been completed this week and everything is in readiness for the big event.

The contest is sponsored by the Itasca Woman's club and ribbon awards will be presented.

Bensenville Tavern Owner Named In Suits

Two suits, the total demand of which is $10,000, each for $5,000, were filed in the Circuit court last proprietor of the Fox hotel on York road in Bensenville.

Roscoe J. Terwillinger asks $5,000 damages for alleged permanent injuries he received in the hotel on December 25, 1939, when he fell down stairs in the hotel after he had opened the wrong door. The plaintiff avers in his complaint that the hotel proprietor failed to have the door properly marked. Further allegations are that the plaintiff by reason of his injuries has had his earning capacities reduced.

Mrs. Terwillinger brings suit for $5,000 under the dram shop act on the charge that her husband was sold "abundant and large amounts of intoxicating liquor."

Legion Party Tonight

A card party sponsored by the Itasca Post No. 608, American Legion, is billed for Friday night, October 18, at 8 p. m. at the Roselle public school auditorium.

Everyone is welcome to this Autumn event which will feature pinochle, 500 and bridge, together with prizes and refreshments.

Itasca Grade School Will Receive Four Paintings

The Itasca grade school already has the promise of four pictures which will be purchased from the WPA art display on exhibition now at the school. The Itasca Woman's club and the Itasca P.-T. A. have each set aside a sum of money for the purchase of two paintings which will be selected by Mrs. H. M. Webster, school art instructor, and also Art chairman for the Woman's Club.

Max Lewis of Itasca has offered to paint a picture and an anonymous member of the P.-T. A. has expressed his willingness to purchase a fourth picture.

A very enthusiastic group of P.-T. A. members expressed delight and appreciation for these generous gifts. Mrs. Webster, who has done a fine job making Itasca pupils "Art" conscious, announce the paintings will be purchased soon and hung in each room.

Bensenville Parents Club Meets Monday

There will be a meeting of the Bensenville Parents club of the Nursery school next Monday evening at 7:30 at the First Evangelical church.

Mrs. Clyde West will be the hostess.

There will be community singing, articles read on child study for the pres-school age, and Mrs. Laura Garry will favor with solos. All interested will be welcome.

Legionnaire, Dance, And Floor Show Nov. 1 At St. Andrew's Club

Starting the years activity of will be a dance and floor show on Friday, November 1 at the St. Andrew's Country club, West Chicago. Paul Schuler, rehabilitation chairman of the DuPage county Legion executive committee has made arrangements for this first event. A fine ten-piece orchestra has been secured and all Legionaires and their friends are urged to attend this event.

With its excellent dance floor and modern club conveniences there is no question that all who attend this dance at St. Andrew's will have an enjoyable evening and in addition give support to one of the most worthy of the Legion activivties. St. Andrew's club is on route 59, about one mile north of West Chicago.

The Itasca Legion Post committee in charge of the local sale of tickets consists of Command-George Pittman and County Delegates Don Johnson and Francis X. Miller.

Property Tax Sales In DuPage Start Monday

The annual DuPage county tax sales when property on which taxes have not been paid will be begun in the court house at Wheaton next Monday, Oct. 21. The list of properties to be sold is compiled yearly in the offices of the county treasurer and collector.

The way was paved for the sale on Monday, October 7, when suit was filed against the delinquents before Judge Edgar F. Thoma in the county court. Judgment was given Monday of this week. On Tuesday, this week, the hearing of 203 assessments was begun in the county court.

The sale, as customary, will continue on several days or until County Treasurer Walter R. Youngberg calls a halt.

DuPage Grand Jury Indicts 17 at Wheaton

Meeting three days of last week, Monday Tuesday and Friday, the October grand jury returned 17 true bills and six no bills, and then adjourned until November 12, when they will take up any further business that is laid before them.

Willard W. Broker of Naperville is foreman and Mrs. Pearl A. Duncan of Glen Ellyn, secretary.

Indictments were named against the folowing:

Steve Vanco and Steve Kravarik, both of Chicago, indicted jointly on charges of robbery and larceny. Kravarik, on parole from Pontiac reformatory, also was indicted on a charge of being a habitual criminal. Bond in each case was set at $5,000. They are charged with holding up an Elmhurst service station.

Herbert S. Cummings, alias William A. Peabody, was indicted on the charge of issuing a fraudulent check for $30 in Wheaton. Cummings is being held in Chicago on a similar charge.

Emery J. Harkins was indicted on a charge of stealing a food truck belonging to a Wheaton grocery. The stolen truck was recovered in DeKalb county on August 30, the day it was stolen. Harkins is in the county jail, in default of $2,000 bonds.

Charles Pemberton and Charles Flynn of rural Aurora were indicted for stealing two-thirds of a bushel of corn. Both are held in the county jail.

Robert and Henry Galske, Jr., of Bartlett were indicted for larceny, being accused of stealing a three-bottom plow from the Frank R. Rees farm.

Richard Schletter of Villa Park and Thomas Cody of Elmhurst were indicted after an attempted holdup of Harold Wendt, attendant at the Kellogg Service station, Park avenue and Roosevelt road, Glen Ellyn, September 27. They were captured within 10 minutes after the attempted holdup.

Louis Raggio was indicted on a charge of contributing to the delinquency of a 15-year-old Villa Park girl. Raggio, a resident of Melrose Park, was turned over to Cook county on another charge.

William Hintz of Belmont was indicted on a charge of theft of an automobile.

Vernon Klinbeil and James Marcotte of Chicago were indicted jointly on three burglary charges. Klingbeil and Arthur L. Pease of Westmont were indicted for the theft of an automobile. Pease is out on bond.

John Dwyer was indicted for larceny for the theft of a radio valued at $25, from the Western Tire and Auto store.

Paul J. Prunchee of Chicago and William A. Toms of Villa Park were indicted on a charge of burglary and larceny, while Prunchee was indicted for larceny.

Wood Dale Church Announces Service

Wood Dale Community church invites the folks of the community to its week of Evangelistic emphasis under the able direction of the Rev. Harry H. Kalas, guest speaker. Mr. Kalas comes to the community with a splendid record as a successful minister in several pastorates, an occasional speaker in much demand, and a professor in the Evangelical Theological Seminary at Naperville.

A Great Experience But Never Again, Says Federal Juror

Henry Hagenbring and Warren L. Fellingham have returned to their homes in Arlington Heights after serving nearly seven weeks on the Johnson case in the Federal court before Judge Barnes. Johnson was found guilty and can be sentenced to a prison term of 22 years and a fine of $50,000.

Mr. Fellingham was in the regular jury panel. Mr. Hagenbring was an alternate member of that body. The latter received the same treatment and was held under the same restrictions as the regular jurors. He was kept in the jury box until the regular twelve left the court room to arrive at their verdict, when he was excused from further service.

For seven long weeks, only censored newspapers with articles clipped out of them, were allowed to reach the members of the jury. They had an entire suite on the LaSalle hotel at their disposal and good meals. Entertainment was provided them in the form of movies and shows. One Sunday, the jury was taken on an auto ride up the north shore to Arlington Heights, where a stop was made at the Hagenbring store. A marshall obtained keys to the store from Mrs. Hagenbring, who was not allowed to talk to her husband.

There were no telephone messages and letters to and from the jurors were censored. Private elevators and special busses were used; barbers were warned not to engage a juror in conversation and every effort made to keep the jurors free from influences.

The two Arlington Heights jurors learned a lot about the cost of outfitting a place like Bon Air country club with its $45,000 raising stage, etc. A number of the towns adjoining Arlington Heights were represented among the witnesses who testified, but evidently Arlington Heights citizens had nothing to do with the alleged gambling racket in which Johnson was implicated.

Mr. Hagenbring says that he enjoyed the experience, but never again for him. Alternate jurors are selected to fill vacancies in case a juror becomes ill or death comes to his immediate family.

Behrens To Hear Manslaughter Charge, Saturday

Carl M. Behrens, Arlington Heights, will be a rather busy judge Saturday afternoon. A group of lawyers will be on hand in the Ward Schaefer trial in which he is charged with manslaughter, causing the death of Herman Koelle, of Palatine three weeks ago. The coroner's jury absolved Schaefer of any blame, but heirs of the victim are insisting on the prosecution by the state's attorney's office.

"Hank" Hinz and Louis Eichler, both Arlington Heights men, were shooting at a squirrel near the residential section of West Wing street Sunday, when an incensed neighbor discovered that they had in their possession a hen pheasant and called the police. They are charged with hunting without a state license, shooting within the village limits and killing a hen pheasant. The penalty for the latter is a $50 fine.

Bensenville Man Named To Head Draft Board

James H. Means of Bensenville has been appointed by President Roosevelt to head and organize the draft board of the north Du Page district, comprising Addison, Bloomingdale and three other townships in Du Page county, known as Dist. No. 1. The appointment was made on the recommendation of Governor Stelle to the President.

According to a letter from Paul G. Armstrong, director of the Selective Service for Illinois, the President has requested that such service be a patriotic contribution to the country and is, therefore, without pay. The reward, the letter states, will be the satisfaction of a good job well done and the "respect of your fellow citizens."

Mr. Means was instructed by Mr. Armstrong to proceed immediately with the organization of the local draft board upon receipt of his official notification from Washington.

The Register believes the selection of Mr. Means for this highly responsible position is a good one and has every confidence that he will perform the duties required of him energetically and impartially. Mr. Means is a worl dwar veteran and a member of the local V. F. W. post. Cooperation of the entire area with Mr. Means and the other members of the draft board will assure a fair and just administration of the Selective Service Act to all affected.

Ask $10,000 From Two Arlington Men

Judge C. M. Behrens, has held in abeyance his decision in a case against Chas. Foresman, Stonegate, Arlington Heights, which may be settled in a civil suit as the complainant, Jack Ferger, has started a suit in the Superior Court for $10,000, each, against Mr. Foresman and E. J. Hinsberger, owner of an Arlington Heights tavern.

Mr. Foresman is employed by the Daily News, Mr. Ferger by the Chicago Times. The states attorney's office did not relish its position between the pressure of two Chicago dailies and the prosecuting attorneys from that office have not pressed Judge Behrens for his decision.

Rumors of a settlement out of court have been flyng around town and perhaps the purpose of the present suit is to apply more pressure on Foresman and Hinsberger for a settlement.

Action is for personal injuries received by Ferger from the hands of Mr. Foresman in the Hinsberer tavern last July.

New Pastor Establishes Home In Bensenville

The Rev. Wesley L. Kosin, new pastor of the Bensenville Bible church, moved with his family into the Louis Wienold house on Main and York last Thursday.

Mr. Kosin is a graduate of Wheaton college and of the Presbyterian Theological seminary in Chicago and has been the pastor of the Au Sable Grove Presbyterian church near Yorkville, Ill. for the last four years. Because of doctrinal differences he requested that his name be erased from the roll of Ottawa Prebytery of the Presbyterian church, U. S. A. last April. Since that time he has been a member of the Independent Fundamental churches of America, whose headquarters are in Cicero.

The Bible church here gavev him the call to be their pastor September 25 and he began his work as pastor Septmber 29.

County Clerk Better

County Clerk Clarence V. Wageman returned to his duties in the courthouse Monday following an illness of several weeks, due to stomach trouble.

Teaching Staffs Do Job Like 'Real Army Men'

Exhibiting remarkable efficiency and speed the grade and high school teaching staffs with support of patriotic citizens in five north Du Page county areas registered 990 men between the ages of 21 and 36 Wednesday as the initial step was taken in the administration of the Selective Service Act. This achievement here as well as in hundreds of other places throughout the nation dramatically exemplified that spirit in America that unites the nation as one man when an all important job has to be done.

The size of the registration in the north DuPage area was somewhat of a surprise to everyone. With every eligible between the ages of 21 and 36 properly enrolled on Uncle Sam's' desk, the next step will be the organization of the various local draft boards which will administer the calling up of the enrollees under provisions placed in the law by Congress.

In Roselle the number to register amounted to 103. J. W. Folowell, principal of the public school, was in charge, aided by Mrs. H. Turner and Mrs. M. Reeves of the teaching staff.

The number to register at Bloomingdale public school was 215, including those eligibles from Cloverdale and Keeneyville. Orville Petersen, principal, and his staff, was in charge here.

Practically every organization in Itasca patriotically offered its services as 114 were registered at the Itasca grade school under the supervision of H. Webster, superintendent, and teachers Doris Hansen and Lorraine Wilson. Assisting were Mrs. Robert Ladd and Mrs. Don Johnson of the Woman's club; Mrs. Dan Gould and Mrs. Earl Pruess of the P.-T. A.; George Goeddeke and Elmer Geils of the Lions club and Art Hinrichs, Don Johnson of the Legion.

Fred Collet, principal of Wood Dale school, handled registrations here, assisted by the teaching staff and members of Bensenville school staff and members of Bensenville staffs. The number to be placed on record here amounted to 138.

The largest registration by far was at Bensenville where 417 young men came forward and registered for selective service. Supt. F. C. Fenton, in charge of the registration was ably assisted by the large staffs of both grade schools and high school. Although handling a far greater number than in smaller localities, the enrollment here proceeded as smoothly as anywhere in the county.

Mt. Prospect Police Net Over $1100 At First Annual Dance

Over $1100 has been realized from Mt. Prospect's first annual police dance held last Saturday at the Mt. Prospect Country Club and the money is still coming in, Mayor I. E. Besander reported Wednesday. It was one of the most profitable enterprises undertaken in Mt. Prospect for a benefit of its kind. The police dance will provide the village with a new police car.

Mr. Besander's committee had wholehearted support from the business men and the community. Generous contributions swelled the proceeds from the dance in which some 750 people attended.

Dorcas Society Luncheon At Itasca

Friday, October 25th the Dorcas Society of the Presbyterian church will sponsor a luncheon and demonstration of soups put on by a soup company. A salad, and hot rolls will accompany the soup course and cake and coffee will be served for dessert. The luncheon will be 25 cents and each lady will receive a can of soup as a gift. Everyone is welcome and urged to attend the luncheon which will be held in the basement of the Presbyterian church.

Earliest Election Date

The earliest elections held in America probably were those of the delegates to the Virginia assembly in 1619, but the earliest date mentioned in records was that of the election of John Winthrop as governor of Massachusetts in 1631.

'Ver-Sigh' or 'Ver-Sailes'

It may be the treaty of "Ver-Sigh," but in Missouri there is a town with a similar name, but it is pronounced "Ver-Sailes," with the accent on the "Sails."

MINUTE SERMONS

THE BEST SELLER SAYS—

"In quietness and confidence shall be your strength." (Isaiah 30:15).

As they were wending their way from the upper room to the Mount of Olives, Jesus sought to warn His disciples of the impending trial of their loyalty. "All ye shall be offended," He told them, at what was about to take place. At once Peter blustered out his undying devotion and constancy, declaring with some heat that he would never fail his Lord. Jesus listened and then told Peter that, for all his bluster, he was going to deny Him that very night.

Jesus understood human nature. He knew that man's greatest enemy was always himself. He knew that the sign of a complete man was poise. Men resorted to bluster, noise and violence only incidentally to convince or influence others; mostly it was to convince themselves. Peter was doing just that, without knowing it. So, Jesus, sorrowingly but lovingly, told him the truth.

"In quietness and confidence shall be your strength," had said Isaiah in rebuke to Hezekiah. Paul learned he possessed strength that he didn't know was possible when he assumed the yoke and burden of Christ. He was much stronger than he had been when, in order to convince himself, he had gone up and down Palestine, breathing out fire and slaughter against the Christians. For now he had poise, and poise is true strength.

It was not the fiery and noisy preachers in the churches of Strassburg that, in the days of the Black Death, proved the strength of the Christian. They all ran away and left their flocks. But the quiet and gentle monk, John Tauler, stayed and communicated the strength that had been given to him to the harassed inhabitants of that German city. He had poise. In quietness and confidence was his strength.

Therefore let us not overevaluate the [illegible] and show of evil. It is tinkling brass and a changing cymbal. God works in the silence of men's hearts.

The L. Q. Bunco club met at the home of Mrs. Frank Wind Wednesday evening. Awards were merited by Mrs. Henry Pohlman, Mrs. M. Boehm and Mrs. Martin Brackman. Delicious refreshments were served later in the evening.

Mr. Jack Schellenburg spent last week in New York on business. Mrs. Schellenburg left Thursday by airplane to also spend three days in New York.

The P.-T. A. will sponsor a card and bunco at the Roselle Public Library Friday, November 15th. The public is welcome to attend.

Relatives of Mr. George Herbener helped him celebrate his birthday Monday evening at his home.

Mrs. Ray De Pew entertained neighbors at a sewing circle and lunch Wednesday.

Aerial Farming

Russia is extending the use of airplanes in agriculture and forestry after a number of strikingly successful experiments, it is reported at Moscow. In Krasnodar territory fertilizer was spread over 2,250 acres under rice by planes last spring, and 1,225 acres of flax were sown from the air in Kalinin province. By means of planes all of central Asia has been freed from locusts which formerly destroyed thousands of acres of crops. The most outstanding use of aviation is the warfare waged against forest fires.

Sweater From Dog's Hair

Mrs. C. J. Blackburn of Staunton, Va., put a new twist to that "hair of the dog" business. She sent the hair —shed by her pet chow—to a Canadian yarn concern. It was spun into wool, almost as fine as Angora. Mrs. Blackburn is right proud of the sweater she knitted from it.

Keeneyville

The Keeneyville young people's club is giving a Hallowe'en party exclusively for young people who wish to celebrate the spirit of Hallowe'en in the right way.

There will be dancing, wiener and marshmallow roasts, apple bobbing and ghost stories by Louis Wiess, yes, sir, all these and the trimmings too. The whole affair promises to be just made to order for a "rip snortin' " good time. We hope to see young people from all over, inside and outside of Keeneyville present, dressed to have fun at the club house Thursday, Oct. 31, Hallowe'en night.

The home bureau girls met at the home of Mrs. Robert Birns on Gary road to rehearse their home talent skit, to be given at the Hill Top barn Thursday, October 24th Gals be sure to come out and see them. It promizes to be good and we've invited a talent scout and we feel sure Hollywood will be the next stop for most of the girls in the skit.

A bridal shower was given Saturday night at the club house for Mrs. Donald Wisted, formerly, Jane Hansen. The guests present were: Mrs. Hilda Bushy, Mrs. Art Lamp, Mrs. Clara Rehenstory, Mr. and Mrs. Matt McNamara, Mr. and Mrs. Fred Gobler, Mrs. Sig Johnson, Mrs. Kaisner of Elgin, Mr. and Mrs. Walter McNauraia, Mr. and Mrs. Alvin Gerbig of Ontarioville, Mr. and Mrs. Jack Preise of Woodstock. The party enjoyed refreshments and dancing and the oldsters that didn't care to dance played bunco. Mrs. Wisted received many beautiful gifts and exerybody enjoyed the evening immensely.

Mrs. Geo. Bobins wants to take this opportunity to express her deepest gratitude for the whole hearted response in which the people of Keeneyville gave in contributing for the brace for her son, Kenneth, who was stricken with infantile paralysis some few weeks ago. Kenneth will have his leg in the cast for eat least another month, then we hope will be able to go have the measurements for the brace. Then he can go back to school again and play with his little friends.

Mr. and Mrs. B. V. Beeson who have just returned home from a hunting trip to Lake Andease, S. Dak., report a good catch and a wonderful time visiting old friends and relatives. The Beesons say the only disappointment they had was getting their limit of pheasants too quick each day they were out. They also enjoyed wild duck and wild goose dinner while there. So folks if you're interested in the sport of bagging wild geese, ducks, and pheasants go to Lake Andease, S. Dakota.

Mrs. A. Novak left Thursday, October 17, for Winona, Minn., to bring her aged father home with her to live.

Miss June Deike will start with her new position this week with the Jefferson Electric Company in Oak Park.

The by-laws committee of the young people's club met Tuesday night at the home of Lewis Weiss. Ten new laws were discussed by the committee, which includes Jack Crawford, Rose Satanizaro, Claud Hansen, Dolores Cole and Lewis Wiess.

Anyone interested in a pet Mrs. Harold Shirman has five adorable little kittens she'd like to find homes for. Her home is on Barrington road.

We need several cars so let us know if you can furnish a car.

The Wooddale School Bunco is tonight. Hope to see you there.

Mr. and Mrs. George Cooper had a nice fishing trip to Wisconsin over the week-end.

Beg your pardon! The party listed in lasts week's column for Thursday night of next week for the Republican women should have read Wednesday night, so all you Republican women make note of that and come out on Wednesday night of next week for a real treat and loads of fun.

Patsy Marland of Edgebrook Road celebrated her birthday on Thursday of last week.

Mrs. Anderson of Edgebrook Rd. entertained her pinochle club Tuesday night.

Mr. and Mrs. King of Edgebrook Road had as Sunday guests, his mother, also his sister, Mrs. Colleen and husband and little son Jimmy.

Mr. and Mrs. Ed Paley of Harvey Avenue had as dinner guests Sunday, Mr. and Mrs. Bob Kraabel and family from River Grove, and Mr. and Mrs. O. Westerlund and family from Chicago.

There will be services all next week at the Community Church. It will be worth your while to attend as many of these services as you can.

Have you lost a black hunting dog with brown spots. One came to the Fitzpatrick home on Oakwood Drive at south end of street last house on east of street. If you know who he belongs to please call Bensenville 24-J-2.

Ignorance Is—

Woe to the business man of today! According to an eminent business lawyer who numbers among his clients the most wealthy, there are 100,000 regulations which a business man is presumed to know, and ignorance of which is apt to get him into trouble—or into big legal fees.

Emilie Luessenhop

Emilie Luessenhop, nee Pieper, was born August 5, 1863, in Leyden township, Cook county. The child was baptized by Pastor G Lambrecht at St. John's Evang. Church, Lorenz Ave. She was confirmed on April 21, 1878, at St. Peters church in Chicago.

On October 12, 1886, she was united in holy matrimony with Louis Luessenhop by Pastor Lambrecht in Chicago. They returned to Addison township making their home on the farm, corner Grand and York Avs.

Her married life was blessed with 4 children, 2 sons and 2 daughters, the oldest daughter, Flora, died at the age of 40 in 1927. After a faithfully lived married life, where sorrows as well as joy were shared by each other in the right Christian manner, they celebrated their golden wedding anniversary in 1936.

After the death of her husband, she remained in the old homestead with her son and daughter in law, Paul Luessenhop. Emilie Luessenhop was an active and loyal member of Immanuel Church, Churchville. She was a charter member of the Ladies Aid Organization and served this organization for several years as the acting secretary. Not only did she attend the divine services regularly, but also labored in the interest of the Christian Church.

She was a faithful reader of her Bible and our church papers, out of which she received much comfort. Ailing during the last years, she was physically strong enough to take part in the work of the ladies aid, she attended many meetings during the last years accompanied by her daughter in law, Mrs. Martin Luessenhop.

On Saturday morning at 5:30 she departed this life peacefully and unexpected by all. She leaves to mourn her children, Martin, Paul and Helen, 2 daughters in law, one son in law, 5 grandchildren besides many friends.

Funeral service was conducted by the Rev. F. Charton, Immanuel Churchville. The mortal remains were laid to rest at Elmlawn cemetery.

About Itasca People

Every year the Itasca grade school pupils join the Junior Red Cross, and this year the response to the roll call was especially fine. The children brought their pennies with very little prompting and they seem to have a keen interest in war rlief by the Red Cross.

Every month a magazine and story calendar is sent to the school which keeps the children informed on what the juniors are doing in Red Cross work. This year the children sent to the Junior Service Fund the sum of $3.65.

Thursday, October 24th is conservation day for the Eleventh District Federated Women's club. The all day meeting will be held at Joliet when noted speakers will present a splendid program on conservation in Illinois. Mrs. H. A. Davenport is chairman of conservation for the Itasca Woman's Club and expects to attend and take the members serving on her committee.

It is said an overheated stove caused the fire at the Schumacher home early Tuesday morning, which resulted in a total loss. The house which is situated outside the village limits at North Ave., and Willow street was burned to the ground in a few minutes and the occupants barely escaped in time. Clothing, furniture, and personal effects were lost in the blaze. The Itasca fire department who answered the fire alarm in record time was unable to lend any assistance due to the terrific blaze and the rapidity with which the fire spread and demolished the frame structure.

The Itasca Lions met at the Lutheran church last night for the second meeting of the month. Mr. Dodd from the American Red Cross was the guest speaker, and presented an illustrated lecture on Red Cross relief work.

About 60 P.-T. A. members and guests attended the October meeting last Tuesday evening and were delighted withth singing of the Ogelsby school chorus under the direction of Paul Carlstedt. The crorus which is composed of mothers of the Ogelsby school P.-T. A. journeyed all the way from Calumet to appear as guest artists in Itasca and members of the Itasca P.-T. A. were indeed inspired by the enthusiasm and generosity of the visiting group. Mrs. Arthur Cohen, past president of the Ogelsby P.-T. A. was introduced by Mrs. Gene Cook and spoke on "Relations Between School and Home." The chorus sang two groups composed of the following selections. Gypsy Moon, Thanks Be To God, Moon Love, The Lord's Prayer, Night Bells, Dance Ye Gypsies, Come to the Fair and Brahm's Lullaby. Mrs. C. F. Cook, a past president of the Ogelsby P.-T. A., and a close friend of Mr. and Mrs. Arthur Hinrichs of Itasca, made all the arrangements for the speaker and the chorus to appear here on Tuesday evening.

The Itasca Garden Club will meet next Tuesday, October 22r, at the home of Mrs. Wm. Womeldorf, in Roselle at 2 p. m. Mrs. B. G. Lewis Jr. will speak on "Forcing Bulbs Indoors," and Mrs. R. De Pew will have for her subject "Chrysanthemums" of which she has many beautiful specimens in her garden.

Assisting hostesses will be Mrs. R. Kleckner and Mrs. R. De Pew.

Members of the Dorcas society were indeed delighted with the result of the fall rummage sale last week. Miss Idaclare Laurence has stored the walnut bed and springs at her home in case anyone is interested in seeing it.

A hot-dish luncheon was served Wednesday at the Dorcas meeting in honor of the ladies celebrating birthdays in October. Happy birthday greetings were extended to Mrs. T. Woodworth, Mrs. G. Goeddeke and Mrs. Towne.

Mr. and Mrs. Will Weber left Wednesday night to spend a short vacation with relatives in Milwaukee.

Mrs. O. Ekedahl, Marilyn and Dick, Mrs. H. Davenport, Nancy and Bettie, and Mrs. T. Woodworth drove to Lord's Park in Elgin Monday for a picnic lunch and despite the rain all had a grand time.

Mrs. B. B. Clover and Mrs. M. Whyte were guests at the Hinsdale Red Cross unit last Monday where they obtained much information on organizing a unit.

Mr. and Mrs. Ed Lake were Sunday guests of Mrs. R. C. Brown of Evanston. They attended the Sunday morning worship service at the Covenant Methodist Church of

Wheeling Alderman Loses Pen To Thief; Wins Pen At Golf

Marshall C. Balling assistant cashier, Wheeling State bank took advantage of the banking holiday last Saturday to accept an invitation to participate in a golf tournament extended to their clients by the law firm of Castle, Williams and McCarthy. The tournament was held at the Biltmore Country Club near Barrington.

The weather was ideal and Marshall's form was good as he tied for low net score, but the end of an otherwise perfect day was spoiled by word from the sheriff that a thief had broken into his car in the club's parking lot.

The thief had chipped the glass from the front ventilator window, opened the door and removed Marshall's best suit, a new pair of shoes and a Parker pen. His loss was partly covered by the prize he received for his low game, which was a lifetime Parker pen and pencil set. The country club and the host took immediate steps to trace the thief.

Get Jobs Past 40

Henry Simler, chairman of the national 40-plus committee of the Sales Executive club, St. Louis, says the national resistance to employment of men past the age of 40 has diminished in the last two years. He says this trend has been reflected in the growth of 40-plus clubs of which there are 32.

WALTHER LEAGUE

Northern Illinois District

News items for this department should be mailed not later than Monday to Arlene Nagel, publicity chairman, 804 N. Douglas St., Arlington Heights.

Be sure to read the article on the District Convention that appears elsewhere in this paper. Our Leaguers look for this column each week, but, naturally, our non-members don't read it unless it is especially brought to their attention; as our convention is a main part of our Leagues' activities, it merits the attention of all people, members and otherwise.

Here are the names of the delegates from our zone: Arlington Seniors, Florence Honemann; Arlington Juniors, Lois Bokelmann and Bob Schwolow; Bensenville, Walter Gerth, Saturday, and Myrtha Weinrich on Sunday; Itasca, Elda Elbert; Des Plaines, Rose Mensching; Park Ridge, St. Andrews, Pearl Baumgart; Norwood Park, Dorothy Maegdlin; Schaumburg, Lorraine Pohlmann; Niles, Walter Bloethner. We know that these people will be real delegates and bring home some inspiring and new, workable ideas.

Someone called my attention the other night at Zone Board meeting that it was erroneously stated several weeks ago that the Higgins-Canfield rink held only seventy-five people. It holds seventy-five couples, which, of course, just doubles its capacity and which might encourage more people down there. Here is an expert from Ada Zimmer's nice letter: "The roller skating at St. Paul's, Higgins-Canfield Roller Rink, has proved very successful I'm sure Norwood Park and Niles Walther Leaguers will agree that it is fun to skate there (on their feet or otherwise.) Come and try it. Any Walther League interested in reservations for skating nights should get in touch with Mr. Sachtleben or Rev. Zimmer."

She also says that the roller-skating club has not started up as yet this fall, but they plan to start shortly. They plan to have yellow sweaters and black skirts for the girls and yellow shirts for the boys and of course, use our own Walther League emblems. These outfits should really make us distinctive when we go skating at Riverview, the Armory, and other places. Even if your League as a whole doesn't want to join the club, why don't just a few of you more energetic and "extraverts" join and have some fun for yourselves?

Here is some news from the Barrington League. They held their election in September and here are the results: Herbert Gehrke, president; Eleanor Nightingale, vice-president; Arlene Hartwig, secretary; Emily W. Blume, treasurer; Helen Blume, Christian Service chairman; and Eleanor Gehrke, Christian Knowledge chairman. We have had the pleasure of knowing only Arlene (our identical names is purely incidental) but am sure the rest will come to our rallies and other zone activities.

Evidently, Cupid doesn't pass up even Barrington for on August 11, Miss Gwendolyn Wolff became the bride of Thomas Tucker (Little Tommy Tucker?) Gwendolyn, you may remember, was publicity correspondent for a while and also was a Talent Quest entrant for several years. Congratulations!

Here are some of the zone activities we hope will help to draw our Barrington friends, along with the rest. On November 17 there will be a lecture of special importance to young people, and to Leaguers. The topic and place have not yet been decided, although the speaker has been reserved. As soon as we hear from Glenn or Rev. John, we'll pass all the details on to you.

Dick Niemeyer reports that there will be a fall hike and weiner roast in the early part of November.

It was suggested and favorably acted upon that our zone have an operetta, using talents from all our Leagues, and to present it as a zone undertaking. If each individual League agrees on this action, plans wil be made to present it either the latter part of this year or the fore part of next. An undertaking such as this will really unite our Leagues and do more for us than just a rally two or three times a year.

On October 27 all those who were receptionists at the Northwestern depot during the recent International Convention will go to Higgins-Canfield for some roller-skating and reminiscing on the fun they had at the convention. Something to really look forward to. Wally B. will probably send out cards with more details.

Oh, yes, Wally Fill of Norwood Park who had so much fun at the Arlington rally with talk about his nephew especially asked me to tell you that the baby is now up to 14 pounds and recognizes his Uncle as yet but intend to very shortly. as yet but inend to very shortly.

June Wille Is Bride Of Harvey Schaefer

Miss June Wille daughter of Mr. and Mrs. Adolph Wille of Mt. Prospect and Harvey Schaefer, son of Mr. and Mrs. John Schaefer were married on Saturday afternoon in the St. James Catholic church at 3 p.m. Rev. Stier performed the ceremony before the altar which was decorated with fall flowers.

Miss Wille wore for her wedding a gown of white satin and lace fashioned with a long train. Her veil was finger tip length and she carried white roses.

Katharine Weidner of Arlington Heights served as maid of honor and was the bride's only attendant. She wore a gown of raisin colored taffeta with burgundy accessories and carried tea roses.

Arnold Schaefer was best man for his brother.

A reception for some sixty guests immediately followed the wedding and was held in St. James Hall.

Mr. Schaefer is employed at the Schaefer music store in Des Plaines and the young couple will make their home in Mt. Prospect.

Illegal in Kansas

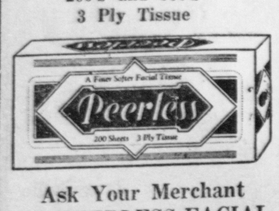

It is legal to banquet on snakes, lizards, centipedes, scorpions, and other reptiles at home, but it's against the law to eat 'em in public in Kansas. The oddity was discovered by Franklin Corrick while revising state statutes. The law provides a penalty of from 30 days to nine months in jail or a $25 fine. Until 1925 a law authorized mayors and township trustees to conscript "all able-bodied male persons between the ages of 12 and 65 for the purpose of destroying locusts or migratory grasshoppers." The law was enacted in 1877.

CHURCHVILLE

F. Chartron, Pastor

Just a church by the road
Very plain, very small;
But, oh, how we love
Every brick in the wall.
It is our meeting place.
Where we gather each week,
To sing hymns of praise
And His guidance to seek.

You are invited and welcome to worship with us in our House of God.

Order of worship:
Sunday school 9:30 a. m.
Divine service 10:30 a. m.

The second and fourth Sunday of the month German worship at 9:30 a. m.

Sunday, October 20, the annual Mission Festival will be held. The Rev. J. Koenig, Missionary to India, is our speaker. Mrs. Koenig will address the Sunday school. After lunch, the service continues at 2 p. m. The Rev. P. Kasper of St. John's Evangelical church and the Rev. Koenig are the speakers.

What is the mission of the Christian church

Your question will be answered in these services.

THE ITASCA EVANGELICAL CHURCH

H. R. Young, Pastor

On Sunday, October 20th, the following services will be held at the Itasca Evangelical church:

9:45 a. m. The Sunday school.

11 a. m. The morning worship. Theme: "Maintain Purity."

7:45 p. m. Evening service. Theme: "The Entrance Requirements."

On Tuesday evening, October 22, the young people have their weekly study class at 8 o'clock.

Wednesday night the Cottage Prayer party at the church on Thursday evening, October 31st, at 8 o'clock.

Next Sunday, October 27th, is Family Day at the Church, and it is urged that entire families attend, and sit as a family unit during the morning worship. One ofthe avenues whereby ideals can be maintained and character developed is the family solidarity, and this service will attempt to foster that.

DON'T WAIT for old age to BUY A FARM

The best time to start in any business is when you're young enough to have lots of energy and a lifetime ahead to reap the benefits of your ingenuity and hard work.

Federal Land Bank loans make it possible for young men with experience, equipment and limited down payments to buy farms before prices get too high. These loans are easy to repay. Small payments on the principal are made each year. There are no renewal charges, because our loans are written for 20 to 34½ years. Interest on Federal Land Bank loans is only 4% a year for the life of the loan. Liberal prepayment privileges. Interest credit on conditional payments.

Pecchia, Rippey and Howes In Charge Of Arlington District

Victor A. Pecchia and Delmer R. Rippey, Arlington Heights and Geo. W. Howes, Palatine, were named members of the draft board of district one of Cook county this week by Paul G. Armstrong, state director of selective service. President Roosevelt approved the appointments Tuesday of 855 officials for 285 draft groups in Illinois.

Mr. Pecchia received orders Wednesday morning to report with members of his board at eight o'clock Thursday evening at the council chambers of the City of Chicago when instructions for the organization of the respective boards will be given to them.

The headquarters for district one is Arlington Heights and includes the townships of Barrington, Palatine, Wheeling, Northfield, Hanover and Schaumburg.

Park Ridge is the headquarters for Maine and Niles townships, the draft board members of which are Erwin Hirschberg, J. J. Linhart and Silas Cartland, all of Park Ridge.

Nearly all appointees to draft boards are men who saw service in the last World War. The work of these boards will begin after the registration today for possible military service of all men 21 to 35 years old, inclusive.

The first task of the boards will be to receive from election officials the registration cards of the registrants in each draft board area. Next, the boards will shuffle the cards thoroughly and number them serially, afterward posting the names and numbers at each board headquarters so that each registrant may see his serial number. A list of the names and numbers also will be sent to Washington.

Lottery to Determine Order

After a lottery in Washington has determined the order numbers of the various registrants the board will begin mailing questionnaires to these registered in each area, sending questionnaires first to those who appear at the top of the order number list.

The information asked will help qualify registrants as to their draft status. There are four main classifications: (1) available for service, (2) deferred because of occupational status, (3) deferred because of dependents, and (4) deferred specially by law or because unfit for military service.

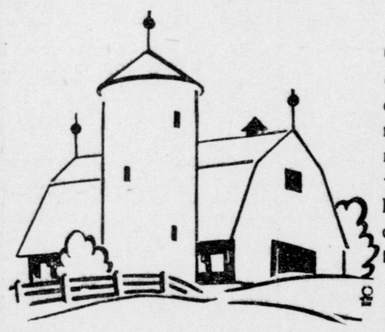

Poison Removed

In its natural state, the root of the bitter cassava is poisonous. Long ago, South American Indians learned how to render the root harmless, and cassava bread has been a staple food of the Brazilian jungles for years. Today, tapioca is made from the root.

Soldiers' Graves

Established as the burial places for Union soldiers, North Carolina's four federal cemeteries at Raleigh, Wilmington, New Bern and Salisbury are now the final resting place of many a Southerner killed in the Spanish-American and World wars.

DuPage Jury Awards $14,900 Under 'Dram' Act

Motion for a new trial in the $55,000 dram shop damage suit tried last week before Judge Win G. Knoch in the Du Page county Circuit court, will be argued on October 31, the four defendants having been assessed a total of $14,900. The awards were contained in a sealed verdict opened in court Monday morning.

The jury debated several hours on the form of the verdict to be returned, 108 possible ones having been submitted to them.

Plaintiffs were: Jack Mohr, Jeanne Suppe, Richard and James Kluckholm. Defendants were: Albert Sako, Karl P. Adams, C. A. Simmons and Mrs. Ctherine Stupay.

The suit was the result of an accident two miles east of Naperville, May 6, 1939, when cars driven by Sako and Mohr came into collision. It is alleged that Sako was intoxicated, he having been supplied with his stimulants at the Adams tavern in Downers Grove prior to the crash.

Bankers Hold Fall Meeting At Crystal Lake

With only a few exceptions, practically every bank in Group Three of the Illinois Bankers' Association was represented at the annual fall meeting which was held at the Crystal Lake Country Club, Crystal Lake, Monday. These bankers came from the counties which comprise the group as follows: Northern Cook, Boone, De Kalb, Du Page, Kane, Lake and McHenry.

After an afternoon of golf the afternoon was spent in a "brass tacks" discussion of banking in which representatives of many of the banks in the seven counties took part. The discussion turned out to be a very complete resume of banking methods and practices as developed by the banks.

The evening meeting followed a dinner attended by over 250 bankers and their employees. Charles R. Reardon, president of the Illinois Bankers' Association, urged the bankers in the words of Winston Churchill to "close ranks and carry on."

Discussing the importance of organized banking activities, he also warned his hearers that the nationalized banking as is proposed by some people, is another threat to democracy.

Mt. Prospect State Bank and Arlington Heights National banks were well represented by the presence of many of their officers and employees.

Raymond Moore, principal of Lake Forest high school, gave an after-dinner pithy address that was much enjoyed by the bankers to whom Moore aimed many barbs.

Five Register From One Family

Five members of the Wm. Duenn family, Arlington Heights, registered Wednesday under the provisons of the draft act. There are probably few families in this part of Cook county with five sons between the ages of 21 and 36.

The youngest, Albert, 22 years old and William, Jr., are unmarried. Robert, 24, Walter, 30, and Edward, 34, are married. All of them reside in Arlington Heights. They have two sisters, Ruth and Mable, the latter being married and resides in Amburg, Wis. There are twelve grandchildren of Mr. and Mrs. William Duenn, Sr. Mr. Duenn was over the draft age at the time of the World war.

Milburn Bros. Gets Bridge Contract For Kirchhoff Road

Cook county board awarded the contract last week for the building of a bridge over Salt creek on Kirchhoff road to Milburn Bros., Mt. Prospect. It is understood the cost of the bridge is in the neighborhood of $35,000.

Wood Dale Organizing For Red Cross Work

Preparations are now afoot in Wood Dale to bring the citizens of this community into active cooperation with Red Cross drives soon to begin. Mrs. Matt Beuman is acting as chairman of the organization, as she is a trained nurse, has seen service with the British Red Cross, and is deeply interested in the movement. Volunteer workers are being enlisted. Those interested should call Bensenville 65-W-2. It is desired that the local unit be ready to participate inthe big roll call drive that

Rural Fire League Annual Dance Oct. 25

The Bensenville Rural Fire Protection league will hold its annual dance Friday, October 25, at Hack's ballroom, 155 N. York road. The officers of the league, John Z. Pezia, president, Fred S. Johnson, vice-president, Wm. C. Boettger, secretary, and Wm. J. Landmeier, treasurer, announce that all the business of the rural league is in fine shape, and that the dance will be a grand windup after a successful summer and fall of various actvities.

The details for the dance have been placed in the hands of Messrs. Fred Sturm, chairman, Ed Sturm, and Fred Stender. This committee of three will make all arrangements for a really big affair. Mr. Sturm appointed the following men on different committees: Messrs. Harry S. Able, Wm. Heinrich, Mack Besser, and Erwin Frohlich, door committee; Messrs. Everett Pine, Charles Gaitsch, E. R. Whitney, Arne Hansen, and Fred Mueller, checkroom committee; Messrs. William J. Landmeier and Chief George Boldebuck, floor committee. Tickets may be obtained from the above men; also from Messrs. Ernst Reher, Art Stuber, Fred Martin, Herman Dohe, Elbert Paul Luessenhop, O. A. Gudmundsen, E. A. Schoppe, John Reher, Ernst Thollander, Christ E. Bauer, and Emil Schoppe.

The board of directors, membership committee, and rural fire crew are doing their utmost to help the dance committee prepare for the annual fall affair. William J. Landmeier has obtained Heinie's seven piece orchestra, one of the finest groups of players in this part of the state. Heinie's tunes are always up-to-date mixed in with old time numbers. His music never fails to please everyone who enjoys a good all-around dance.

The dance committee has also made arrangements for many valuable door prizes. The doors will be opened at 8:30 p. m.

Rural Growth Hits DuPage County Schools

School districts in growing subdivisions in Du Page county are faced with housing problems. Among those who are contemplating the erection of an addition is the Butler school south of Elmhurst, between Butterfield and Roosevelt roads.

A new school house was built in the subdivision this year. There are now 38 pupils in the one-room building. The usual maximum number of pupils in any one room is 40, according to Lewis V. Morgan, superintendent of county schools.

The school district is making plans to erect another unit to take care of the increase in the number of pupils that is expected next year.

Keeneyvile school, at the junction of the Gary road with U. S. highway No. 20 (Lake street) completed a new building this year to provide for its increasing number of pupils.

If the trend westward is continued, more country school districts believe that they will be forced to build bigger and better school houses.

Lions To Hold Annual Masquerade Hallowe'en

The Bensenville Lions are preparing for their big annual masquerade and apared taoishrdluini querde and parade Hallowe'en night which will open with a big bonfire at Lions park at 6:15. All children up to the ages of 14 are urged to take part in this novel event which will feature valuable awards and many goodies.

Children should begin planning costumes now in order to make this Halowe'en the funniest of all. Old cartons and boxes are also needed to add fuel to the blaze designed to keep the spooks at a safe distance.

Village Bake Shop Has Grand Opening Saturday

Two big grand opening specials as well as free souvenirs for all are offered tomorrow, Saturday, in Bensenville as the newly remodeled Village Bake Shop makes its bow to the community. Henry Jonas, the proprietor, has prepared a store full of bakery goods, cookies, pies, cakes, breads, and pastries of all kinds in keeping with the smart new appearance of the shop. All customers will thrill when they visit the store and see this setting for the first time.

Busse Wages Lone Battle to Cut Road Cost

County Commissioner Wm. Busse waged a lone battle in the county board last week to halt the approval of a contract for the use of asphalt for resurfacing Pulaski road in place of concrete. The additional cost to the county, stated Mr. Busse, was $168,000. He called on President Smith to veto the contracts, but to no avail. The only board member to vote with Mr. Busse was Commissioner Smith.

The charge is made that an attempt is being made to revive the asphalt ring which passed out of existence after the death of Michael Carrozzo, czar of the street worker's union. Major Quinlan recommended the use of asphalt in place of concrete giving as his reason the frequent opening the street because of utilities underneath. The state highway commission is said to have requested that Cook County award some asphalt work.

Chicago Tribune in an editorial Oct. 9 said, "Thanks to the efforts of County Commissioner Wm. Busse, the award of a contract for paving section of Pulaski road was delayed . . . there is ground here for suspecting a political paving scandal."

Miss Helen Bollmann Becomes The Bride Of Irwin Mueller, Tuesday

Miss Helen Bollmann, daughter of Mr. and Mrs. Louis Bollmann of Bensenville and Irwin Mueller, son of Mr. and Mrs. Wm. Mueller of Mt. Prospect, motored to Clinton, Iowa, Tuesday, October 15, where they were united in marriage.

The bride's attendant was Mrs. Henry Mollmann and Mr. Henry Bollman served as best man. The ceremony took place in the Lutheran church at Clinton with Rev. Krueger officiating.

Itasca Cubs Meet Oct 25

On Friday night, October 25, the Cubs of Itasca, together with their parents and friends, will meet at the public school at 7:30 o'clock for the regular monthly pack meeting. At this time some new Cubs will be inducted into Cubbing, and two den mothers will assume charge of another den. Jerry Bolin, John Ladd, Kenneth Paulson, and Bert Walther, will become Cubs on this occasion, having satisfactorily passed the Bobcat requirements. Neil Franzen will reach the age limit at the November meeting and will be received into active cubbing relationship at that time. Mrs. Ladd and Mrs. Walther are the Den Mothers who will be in charge of the new den. All those interested in Cubbing and Scouting are urged to attend this monthly meeting of Pack No. 10 of Itasca.

Young Demos Meet Monday In Bensenville

The Young Democratic club of Addison township will hold a special meeting on Monday, October 21 at 8 p. m. at the home of Ted Bauer, 179 S. Walnut street, Bensenville.

The officers of the organization are Elmer Klippp, president; Kenneth Crouse, vice-pres.; Mrs. Frances Bauer, secretary; Theodore Rathe young Democrats who are mem pin, treasurer. They are asking all young Democrats who are members to attend this important business meeting.

The Regular Democratic Party of Addison township will run a free get-together dance Wednesday, October 30, at Hack's ballroom, 155 N. York road, Bensenville. Tickets will be on hand next week and may be obtained from your Democratic precinct captain or any Democratic organization worker.

It's 'Soft Soap' For 'Itasca Kids' Hallowe'en

Boys and girls of Itasca are busy sharpening "soap" pencils getting in practice for Itasca's annual Hallowe'en soap drawing contest. It is expected some 60 or 70 grade school "Art" enthusiasts will spend the next two weeks planning pictures for this great event.

Already letters have been arriving from interested towns and cities asking for information and rules for the contest so Mrs. Dan Gould, chairman for Hallowe'en activities keeps her pencil ready to answer these inquiries.

Rules and registration details have been completed this week and everything is in readiness for the big event.

The contest is sponsored by the Itasca Woman's club and ribbon awards will be presented.

Bensenville Tavern Owner Named In Suits

Two suits, the total demand of which is $10,000, each for $5,000, were filed in the Circuit court last proprietor of the Fox hotel on York road in Bensenville.

Roscoe J. Terwillinger asks $5,000 damages for alleged permanent injuries he received in the hotel on December 25, 1939, when he fell down stairs in the hotel after he had opened the wrong door. The plaintiff avers in his complaint that the hotel proprietor failed to have the door properly marked. Further allegations are that the plaintiff by reason of his injuries has had his earning capacities reduced.

Mrs. Terwillinger brings suit for $5,000 under the dram shop act on the charge that her husband was sold "abundant and large amounts of intoxicating liquor."

Legion Party Tonight

A card party sponsored by the Itasca Post No. 608, American Legion, is billed for Friday night, October 18, at 8 p. m. at the Roselle public school auditorium.

Everyone is welcome to this Autumn event which will feature pinochle, 500 and bridge, together with prizes and refreshments.

Itasca Grade School Will Receive Four Paintings

The Itasca grade school already has the promise of four pictures which will be purchased from the WPA art display on exhibition now at the school. The Itasca Woman's club and the Itasca P.-T. A. have each set aside a sum of money for the purchase of two paintings which will be selected by Mrs. H. M. Webster, school art instructor, and also Art chairman for the Woman's Club.

Max Lewis of Itasca has offered to paint a picture and an anonymous member of the P.-T. A. has expressed his willingness to purchase a fourth picture.

A very enthusiastic group of P.-T. A. members expressed delight and appreciation for these generous gifts. Mrs. Webster, who has done a fine job making Itasca pupils "Art" conscious, announce the paintings will be purchased soon and hung in each room.

DuPage Grand Jury Indicts 17 at Wheaton

Meeting three days of last week, Monday Tuesday and Friday, the October grand jury returned 17 true bills and six no bills, and then adjourned until November 12, when they will take up any further business that is laid before them.

Willard W. Broker of Naperville is foreman and Mrs. Pearl A. Duncan of Glen Ellyn, secretary.

Indictments were named against the folowing:

Steve Vanco and Steve Kravarik, both of Chicago, indicted jointly on charges of robbery and larceny. Kravarik, on parole from Pontiac reformatory, also was indicted on a charge of being a habitual criminal. Bond in each case was set at $5,000. They are charged with holding up an Elmhurst service station.

Herbert S. Cummings, alias William A. Peabody, was indicted on the charge of issuing a fraudulent check for $30 in Wheaton. Cummings is being held in Chicago on a similar charge.

Emery J. Harkins was indicted on a charge of stealing a food truck belonging to a Wheaton grocery. The stolen truck was recovered in DeKalb county on August 30, the day it was stolen. Harkins is in the county jail, in default of $2,000 bonds.

Charles Pemberton and Charles Flynn of rural Aurora were indicted for stealing two-thirds of a bushel of corn. Both are held in the county jail.

Robert and Henry Galske, Jr., of Bartlett were indicted for larceny, being accused of stealing a three-bottom plow from the Frank R. Rees farm.

Richard Schletter of Villa Park and Thomas Cody of Elmhurst were indicted after an attempted holdup of Harold Wendt, attendant at the Kellogg Service station, Park avenue and Roosevelt road, Glen Ellyn, September 27. They were captured within 10 minutes after the attempted holdup.

Louis Raggio was indicted on a charge of contributing to the delinquency of a 15-year-old Villa Park girl. Raggio, a resident of Melrose Park, was turned over to Cook county on another charge.

William Hintz of Belmont was indicted on a charge of theft of an automobile.

Alfred Stolte of Downers Grove was indicted on a charge of abandoning his infant son, five months old. Robert Threet of Chicago was indicted for the burglary of the E. W. Heimert residence at Elmhurst, June 29. He is being held in the county jail.

Vernon Klinbeil and James Marcotte of Chicago were indicted jointly on three burglary charges. Klingbeil and Arthur L. Pease of Westmont were indicted for the theft of an automobile. Pease is out on bond.

John Dwyer was indicted for larceny for the theft of a radio valued at $25, from the Western Tire and Auto store.

Paul J. Prunchee of Chicago and William A. Toms of Villa Park were indicted on a charge of burglary and larceny, while Prunchee was indicted for larceny.

Wood Dale Church Announces Service

Wood Dale Community church invites the folks of the community to its week of Evangelistic emphasis under the able direction of the Rev. Harry H. Kalas, guest speaker. Mr. Kalas comes to the community with a splendid record as a successful minister in several pastorates, an occasional speaker in much demand, and a professor in the Evangelical Theological Seminary at Naperville.

A Great Experience But Never Again, Says Federal Juror

Henry Hagenbring and Warren L. Fellingham have returned to their homes in Arlington Heights after serving nearly seven weeks on the Johnson case in the Federal court before Judge Barnes. Johnson was found guilty and can be sentenced to a prison term of 22 years and a fine of $50,000.

Mr. Fellingham was in the regular jury panel. Mr. Hagenbring was an alternate member of that body. The latter received the same treatment and was held under the same restrictions as the regular jurors. He was kept in the jury box until the regular twelve left the court room to arrive at their verdict, when he was excused from further service.

For seven long weeks, only censored newspapers with articles clipped out of them, were allowed to reach the members of the jury. They had an entire suite on the LaSalle hotel at their disposal and good meals. Entertainment was provided them in the form of movies and shows. One Sunday, the jury was taken on an auto ride up the north shore to Arlington Heights, where a stop was made at the Hagenbring store. A marshall obtained keys to the store from Mrs. Hagenbring, who was not allowed to talk to her husband.

There were no telephone messages and letters to and from the jurors were censored. Private elevators and special busses were used; barbers were warned not to engage a juror in conversation and every effort made to keep the jurors free from influences.

The two Arlington Heights jurors learned a lot about the cost of outfitting a place like Bon Air country club with its $45,000 raising stage, etc. A number of the towns adjoining Arlington Heights were represented among the witnesses who testified, but evidently Arlington Heights citizens had nothing to do with the alleged gambling racket in which Johnson was implicated.

Mr. Hagenbring says that he enjoyed the experience, but never again for him. Alternate jurors are selected to fill vacancies in case a juror becomes ill or death comes to his immediate family.

Behrens To Hear Manslaughter Charge, Saturday

Carl M. Behrens, Arlington Heights, will be a rather busy judge Saturday afternoon. A group of lawyers will be on hand in the Ward Schaefer trial in which he is charged with manslaughter, causing the death of Herman Koelle, of Palatine three weeks ago. The coroner's jury absolved Schaefer of any blame, but heirs of the victim are insisting on the prosecution by the state's attorney's office.

"Hank" Hinz and Louis Eichler, both Arlington Heights men, were shooting at a squirrel near the residential section of West Wing street Sunday, when an incensed neighbor discovered that they had in their possession a hen pheasant and called the police. They are charged with hunting without a state license, shooting within the village limits and killing a hen pheasant. The penalty for the latter is a $50 fine.

Property Tax Sales In DuPage Start Monday

The annual DuPage county tax sales when property on which taxes have not been paid will be begun in the court house at Wheaton next Monday, Oct. 21. The list of properties to be sold is compiled yearly in the offices of the county treasurer and collector.

The way was paved for the sale on Monday, October 7, when suit was filed against the delinquents before Judge Edgar F. Thoma in the county court. Judgment was given Monday of this week. On Tuesday, this week, the hearing of 203 assessments was begun in the county court.

The sale, as customary, will continue on several days or until County Treasurer Walter R. Youngberg calls a halt.

REV. HARRY KALAS
Who will be in charge of special services at Wood Dale

Bensenville Man Named To Head Draft Board

James H. Means of Bensenville has been appointed by President Roosevelt to head and organize the draft board of the north Du Page district, comprising Addison, Bloomingdale and three other townships in Du Page county, known as Dist. No. 1. The appointment was made on the recommendation of Governor Stelle to the President.

According to a letter from Paul G. Armstrong, director of the Selective Service for Illinois, the President has requested that such service be a patriotic contribution to the country and is, therefore, without pay. The reward, the letter states, will be the satisfaction of a good job well done and the "respect of your fellow citizens."

Mr. Means was instructed by Mr. Armstrong to proceed immediately with the organization of the local draft board upon receipt of his official notification from Washington.

The Register believes the selection of Mr. Means for this highly responsible position is a good one and has every confidence that he will perform the duties required of him energetically and impartially. Mr. Means is a worl dwar veteran and a member of the local V. F. W. post. Cooperation of the entire area with Mr. Means and the other members of the draft board will assure a fair and just administration of the Selective Service Act to all affected.

Ask $10,000 From Two Arlington Men

Judge C. M. Behrens, has held in abeyance his decision in a case against Chas. Foresman, Stonegate, Arlington Heights, which may be settled in a civil suit as the complainant, Jack Ferger, has started a suit in the Superior Court for $10,000, each, against Mr. Foresman and E. J. Hinsberger, owner of an Arlington Heights tavern.

Mr. Foresman is employed by the Daily News, Mr. Ferger by the Chicago Times. The states attorney's office did not relish its position between the pressure of two Chicago dailies and the prosecuting attorneys from that office have not pressed Judge Behrens for his decision.

Rumors of a settlement out of court have been flyng around town and perhaps the purpose of the present suit is to apply more pressure on Foresman and Hinsberger for a settlement.

Action is for personal injuries received by Ferger from the hands of Mr. Foresman in the Hinsberer tavern last July.

New Pastor Establishes Home In Bensenville

The Rev. Wesley L. Kosin, new pastor of the Bensenville Bible church, moved with his family into the Louis Wienold house on Main and York last Thursday.

Mr. Kosin is a graduate of Wheaton college and of the Presbyterian Theological seminary in Chicago and has been the pastor of the Au Sable Grove Presbyterian church near Yorkville, Ill. for the last four years. Because of doctrinal differences he requested that his name be erased from the roll of Ottawa Prebytery of the Presbyterian church, U. S. A. last April. Since that time he has been a member of the Independent Fun- whose headquarters are in Cicero. damental churches of America,

The Bible church here gavev him the call to be their pastor September 25 and he began his work as pastor Septmber 29.

County Clerk Better

County Clerk Clarence V. Wageman returned to his duties in the courthouse Monday following an illness of several weeks, due to stomach trouble.

Teaching Staffs Do Job Like 'Real Army Men'

Exhibiting remarkable efficiency and speed the grade and high school teaching staffs with support of patriotic citizens in five north Du Page county areas registered 990 men between the ages of 21 and 36 Wednesday as the initial step was taken in the administration of the Selective Service Act. This achievement here as well as in hundreds of other places throughout the nation dramatically exemplified that spirit in America that unites the nation as one man when an all important job has to be done.

The size of the registration in the north DuPage area was somewhat of a surprise to everyone. With every eligible between the ages of 21 and 36 properly enrolled on Uncle Sam's' desk, the next step will be the organization of the various local draft boards which will administer the calling up of the enrollees under provisions placed in the law by Congress.

In Roselle the number to register amounted to 103. J. W. Folowell, principal of the public school, was in charge, aided by Mrs. H. Turner and Mrs. M. Reeves of the teaching staff.

The number to register at Bloomingdale public school was 215, including those eligibles from Cloverdale and Keeneyville. Orville Petersen, principal, and his staff, was in charge here.

Practically every organization in Itasca patriotically offered its services as 114 were registered at the Itasca grade school under the supervision of H. Webster, superintendent, and teachers Doris Hansen and Lorraine Wilson. Assisting were Mrs. Robert Ladd and Mrs. Don Johnson of the Woman's club; Mrs. Dan Gould and Mrs. Earl Pruess of the P.-T. A.; George Goeddeke and Elmer Geils of the Lions club and Art Hinrichs, Don Johnson of the Legion.

Fred Collet, principal of Wood Dale school, handled registrations here, assisted by the teaching staff and members of Bensenville school staff and members of Bensenville staffs. The number to be placed on record here amounted to 138.

The largest registration by far was at Bensenville where 417 young men came forward and registered for selective service. Supt. F. C. Fenton, in charge of the registration was ably assisted by the large staffs of both grade schools and high school. Although handling a far greater number than in smaller localities, the enrollment here proceeded as smoothly as anywhere in the county.

Mt. Prospect Police Net Over $1100 At First Annual Dance

Over $1100 has been realized from Mt. Prospect's first annual police dance held last Saturday at the Mt. Prospect Country Club and the money is still coming in, Mayor I. E. Besander reported Wednesday. It was one of the most profitable enterprises undertaken in Mt. Prospect for a benefit of its kind. The police dance will provide the village with a new police car.

Mr. Besander's committee had wholehearted support from the business men and the community. Generous contributions swelled the proceeds from the dance in which some 750 people attended.

Dorcas Society Luncheon At Itasca

Friday, October 25th the Dorcas Society of the Presbyterian church will sponsor a luncheon and demonstration of soups put on by a soup company. A salad, and hot rolls will accompany the soup course and cake and coffee will be served for dessert. The luncheon will be 25 cents and each lady will receive a can of soup as a gift. Everyone is welcome and urged to attend the luncheon which will be held in the basement of the Presbyterian church.

WANT HOME FOR TWO WATCH DOGS

Is there a family or a farmer who will welcome a good watch day? Mr. Kienzler, residing on Lake avenue, one mile east of Milwaukee ave., has two female dogs of kind disposition who are reliable and can become protectors to children and property. Mr. Kiensler wants to get rid of the dogs at once.

Lake Zurich Man Loses Driver's License

Roy D. Wells of Lake Zurich, charged with drunken driving, was placed on probation for a year, with bonds of $1,000, by judge Edgar F. Thoma in the county court Monday. The court also suspended his driver's license for 30 days.
